

EXPLOSION DEATH LIST REACHES 112

Blasts Wreck Shrapnel Building of Eddyson, Pa., Ammunition Plant

MANY FATALITY HURT

Final Death List May Reach 150 While Others May Be Maimed for Life

INJURED TOTAL 121

BULLETIN.

CHESTER, Pa., April 10.—Two suspects were arrested late tonight in connection with the explosions. The prisoners are Samuel Cohen, 25 years old, who gave an address in Philadelphia, and his father, who is described as being 50 years old.

Officials asserted that papers found on one of the men were "incriminating and very important."

CHESTER, Pa., April 10.—One hundred and twelve persons, most of them women and girls, are known to have lost their lives and 121 were injured by a series of terrific explosions today in the shrapnel building of the Eddyson Ammunition corporation at Eddystone, one mile from this city. Many of the injured were mortally hurt and it is feared the final death list will reach 150 while others probably will be maimed for life.

How any of the 300 employees in the building in which were stored approximately 30,000 shells, escaped, is almost beyond conception as there was scarcely a fragment of the structure left intact.

Fire Adds to Horror.

Fire added to the horror and most of the bodies were so badly charred that identification was impossible.

In the absence of any official statement many theories as to the cause of the disaster were advanced. Rumors of plots and arrests of persons both inside and outside of the plant were numerous, but all lacked confirmation.

Twenty Philadelphia detectives were sent to Eddystone soon after the explosion on a rumor that it was the result of a plot, reported that they had learned from officials of the corporation that a quantity of shrapnel had been placed near a radiator and the heat might easily have exploded it. Their opinion is that the explosion was purely accidental. A canvass of police stations in the vicinity and inquiries among officials of the company failed to reveal that any arrests had been made.

An official of the corporation in discussing the probable cause of the explosion said he believed there were never more than one half a ton of powder in the building at one time and this never was in bulk.

Third Explosion Terrible.

"So far as we have been able to learn," this official said, "there were only three explosions. Two of these were comparatively light, but the third was terrible, so powerful that a boat house 350 yards away was demolished."

The explosion which was felt in Philadelphia, a distance of 15 miles, occurred about 10 o'clock in what is known as the "19 B" building, a two-story structure, 75 by 200 feet. In this building time fuses were prepared. More than 80 percent of the workers were women and girls.

Great excitement followed the explosion. A heavy pall of smoke darkened the entire town. This was soon lightened by the flames and the burning building. Rescue squads composed of other employees at the plant were quickly formed and a call for assistance was sent to Philadelphia, Chester, Wilmington and other nearby points. A strong guard of Pennsylvania militiamen and cadets from the Pennsylvania military academy was thrown around the plant and everyone except those assisting in the rescue work was forbidden to approach.

Fifteen minutes after the explosion the bodies of the dead and injured were being carried out. They were placed in any conveyance that happened to be at hand. Some were taken to the morgue and hospitals in grocers' wagons while others were placed in motor cars.

Several Blown 200 Yards.

Several bodies were fished out of marshes 200 yards from the ill-fated building and it is feared others may have been blown into the river, still farther away. All were badly mutilated and many were burned beyond recognition. Some of the injured were temporarily cared for in buildings of the ammunition company, while scores of homes at Eddystone and nearby towns were thrown open to the elements.

(Continued on Page 4.)

TO ESTABLISH TRAINING CAMPS FOR OFFICERS

Arrangements Already Being Made By Administration

Civilians Desirous of Fitting Themselves for Commissions in the Officers Reserve Corps May Apply Now to Departmental Commanders for Assignment

Washington, April 10.—Army building plans of the administration are to be supplemented at once by the establishment at many points throughout the country of civilian training camps for officers.

Officers Will Be Great Need

The great need of the war army to be raised will be properly equipped officers, and to aid in meeting the demand the war department has decided to adopt the Plattsburg idea on a nation-wide scale. Arrangements for the camps already are being made, and civilians desirous of fitting themselves for commissions in the officers reserve corps may apply now to departmental commanders for assignment to them. The number of camps to be set up will depend on the number of applications received.

A course of three months vigorous training will be given.

The qualities displayed by men undergoing this training will determine whether they are suited to army life and also the rank in reserve corps which they are qualified to hold. Commissions will be issued at the conclusion of the training period to those accepted, who will be assigned to units of the regular army, national guard or the first contingent of troops to be raised under the draft law.

The scheme is designed principally to reach the situation of civilians who have received no military training and who are too old to enter the second lieutenant grade of the reserve corps, but are otherwise qualified by education and capacity to become officers.

Suspends Regulation

The department, it was announced today, has suspended the regulation limiting new enlistment in the regular army to men not more than 25 years of age. To conform to the administration's army bill the maximum age has now been set at forty years. The present authorized strength of the regulars will soon be reached at the present rate of enlistment, including all combatant and non-combatant troops and unassigned recruits this would mean a total of 138,000 enlisted men.

Until the president so desires, the regulations cannot be brought up to war strength or additional regulations be organized. It is apparent that the administration is not inclined to take this step until congress has acted on the new army bill.

Will Make Exception

An exception will be made in the case of recruits of negro troops, however, some of which already are over the authorized peace strength. They will be filled from waiting lists to full war time strength. The question of supplies for the increasing numbers of recruits both for the regular and national guard is a difficult one and has been complicated by failure of efficiency and regular appropriation bills in the last congress. Plenty of money will be provided in the near future, but because of the unusual demands upon skilled labor it has always been difficult to get quick deliveries and it may be sixty years before the great volume of deliveries begin.

FIFTY FREIGHTERS TO OPEN LAKE TRAFFIC

CHICAGO, April 10.—Fifty freighters are prepared to steam out of their winter moorings here next Sunday night and to open traffic on the great lakes for the season. While it was asserted that lake traffic will be under special war protection this year, government officials are not making the precautionary measures public.

Steamship men expressed a belief tonight that all records for lake traffic will be broken this season. More Illinois coal will find outlet thru the great lakes because of the large consumption of fuel in the eastern munition plants and in the navy, it was said. Congestion in the Chicago grain elevators, attributed to a shortage of freight cars, is expected to be relieved by lake traffic also.

WILL MAKE SPECIAL APPEALS FOR RECRUITS

NEW YORK, April 10.—Favorable replies thus far from five governors and nearly 100 mayors have convinced the receiving committee of the mayor's committee on national defense that almost every state in the union will co-operate in making special appeals for army and navy recruits on April 18 and 19. The mayors of southern cities have been especially enthusiastic in their endorsement of this plan.

ARRAIGN BLANCKETT IN MURDER CHARGE

Santa Fe, N. M., April 10.—Bart W. Blanckett was arraigned in district court today, charged with the murder of his motor companion, Clyde D. Armour of Sioux City, Ia., Oct. 23 last. His counsel filed a plea in abatement contending that the new law under which the grand jury empaneled is invalid and the grand jury hence is illegally drawn.

BAR WAR TALK IN SALOONS

Pittsburgh, Pa., April 10.—Judges James McF. Carpenter and Ambrose B. Reid, of the Allegheny county liquor license court, have handed down an order of court directing saloonkeepers to prohibit the discussion of the war situation in their bar rooms.

TO DRAFT INDIANS IN SERVICE AS FARMERS

MUSKOGEE, Okla., April 10.—Every Indian in Oklahoma under the guardianship of the United States government will be drafted into the United States service as a farmer under instructions received today by Gabe E. Parker, superintendent of the five civilized tribes from Cato Sells, Indian commissioner.

Parker also is authorized to take the older boys out of school for farm work. He has called a conference of the entire field force of the five civilized tribes including government farmers for April 13 to discuss agricultural plans.

PLAN TO MOBILIZE MEN FOR FARM WORK

Farm Conference of Agricultural Experts Adopts Measure

Would Utilize Men Who Do Not Meet the Qualifications for Active Military Service—Four Committees are Appointed.

St. Louis, Mo., April 10.—Immediate mobilization of the nation's men who do not meet the qualifications for active military service for use in producing farm products is one of the measures to be taken to solve the food problem of the United States in the opinion of the delegates to the Farm Conference of Agricultural Experts, which closed a two-day session here late this afternoon. The conference, called by Secretary of Agriculture Houston, was composed of heads of agricultural schools and officers of farm boards from all middle-western states. Four committees were named to deal with various phases of the food question and their findings were turned over to a central committee of fifteen which reported to the entire conference.

Regarding the mobilization of farm labor the report as made public tonight says plans for public defense should include provisions for an adequate food supply for civilians and soldiers, as well as for enlisting men to go to the front.

The plan of military enlistment it is urged should be broadened to utilize for agricultural labor, manufacture of munitions or other national service.

First—Men beyond military age. Second—Men of military age but not accepted for active service.

Third—Boys under age for enlistment.

A thorough survey of the food, labor and other resources of the country is asked for.

The report points out that the fixing of maximum and minimum prices of food need not be undertaken at this time but advises the creation of agencies which will enable the government to take such a step if it becomes necessary.

The report also urges that as a measure of economy the national menu be dictated as nearly vegetarian as possible.

MOTHERS OF CHICAGOANS AID RECRUITING OFFICERS

CHICAGO, April 10.—Mothers of scores of young Chicagoans helped army, navy and marine corps recruiting officers today to obtain the largest number of enlistments since President Wilson's proclamation of a state war by taking their sons to recruiting stations. Naval officers received more than 300 applicants of whom 75 were accepted, 42 took the oath in the marine corps and 252 in the army.

At the county marriage license bureau, today the number of licenses issued was only about half those issued yesterday, when a record was reached with more than 1,100. Captain F. R. Kenney, U. S. A., announced plans to establish a recruiting station manned by young women and soldiers, at the bureau in the hope of dissuading some of the "slackers."

Federal agents also obtained the names of the 2,000 recent applicants for licenses, but no intimation of the purpose of the action was made.

DISCUSS PLANS FOR FOOD CONSERVATION MEETING

SPRINGFIELD, Ill., April 10.—Governor Lowden today talked by long distance telephone with President Edmund J. James of the University of Illinois with reference to a plan for a food conservation meeting in which governors and agricultural interests of middle west states may be asked to have part. Dean Davenport of the agricultural department at the University will probably be a leader in the movement in Illinois.

Governor Lowden has not issued a call for a conference but expressed himself recently in an address in Chicago as favoring a meeting of governors of Mississippi Valley states to work out a scheme to conserve food supplies as a result of the war situation.

VILLA OPERATING NEAR CASAS GRANDES

JUAREZ, Mex., April 10.—Telegraphic communication between Casas Grandes and Madera was suddenly interrupted today and it was thought at military headquarters that Francisco Villa and his forces were operating in that vicinity. Villa's advance guard was reported to have been seen near Namiquipa yesterday and outpost skirmishing occurred yesterday between the Carranza troops from the Casas Grandes garrison and Villa's mounted scouts.

PENFIELD REACHES GENEVA

Paris, April 10.—Frederic C. Penfield, former American ambassador to Austria-Hungary, accompanied by his wife and a secretary arrived in Geneva this morning, according to a dispatch to the Temps from Geneva.

CHILE AND MEXICO TO REMAIN NEUTRAL

Brazil, Guatemala and Peru Probably Will Join the United States

CHILE'S STAND SURPRISE

Eventual Break Between Chile and Germany was Expected in Many Quarters

IGNORANT OF PURPOSE

BULLETIN. RIO JANEIRO, April 10.—At a cabinet council today it was decided that Brazil should sever her relations with Germany.

BULLETIN. BUENOS AIRES, April 10.—The government issued a declaration late this evening announcing that it supported the position of the United States in regard to Germany.

WASHINGTON, April 10.—Much of the uncertainty as to Latin-America's attitude in the war between the United States and Germany was cleared away today by definite advices that Chile and Mexico will remain neutral and increasing indication that Brazil, Guatemala and Peru will join Cuba and Panama on the side of the United States.

The decision of Chile, the first of the American republics to announce her neutrality, caused some surprise among officials.

Expected Break with Berlin. In many quarters it had been expected that she eventually would break with the Berlin government but would postpone her decision until advised definitely of the course of Argentina and Brazil.

What effect her stand will have on the smaller nations of the continent is a matter of much speculation, particularly as there are no indications that Argentina also will take her place among the neutrals.

Mexico's decision caused no surprise and is regarded as certain to have little influence with her sister republics. Reports that General Carranza was softening to a distinct pro-American attitude have not been credited by officials here, and neither have they believed widely circulated stories that he was preparing to ally himself openly with Germany.

Official confirmation of Brazil's break with the Berlin government still was lacking tonight at the state department and the Brazilian embassy, but officials believe there is no doubt that the authorities at Rio have definitely decided for war. As the largest South American nation, Brazil's influence on the other republics of the new world is expected to be second only to that of the United States.

Ignorant of Peru's Purpose.

Officials here professed to be ignorant of the purpose of Peru in sending a naval officer to Washington "on a special naval mission" but it was taken as a sign that opinion in that country was crystallizing in favor of belligerence.

Official advices from Guatemala during the day left little doubt that the proclamation of martial law there was a preliminary to a break with Germany. It is assumed that as a neutral the Mexican government will take steps to protect the fields supplying a considerable part of the fuel used by the British fleet. A great part of that field is not now under Carranza's control, but Maximal Palaez the revolutionist controlling a long strip of territory south of Tampico, has gained the confidence of the oil operators by his policy of guarding the big wells against any aggressions by enemy aliens.

Incident Causes Anxiety.

An incident that has caused some anxiety at the state department was the taking over by the Mexican government two weeks ago of the British owned Mexican railway between Vera Cruz and Mexico City. No explanation has been given but continued investigation has failed to show any German influence behind the act or any success for the efforts of German agents working to secure the support of the Mexican government. It is regarded as possible however, that not probable, that some headway has been made by the German agents with Villa and other revolutionary chiefs.

Increased activity of rebel chiefs, it is realized, might render very difficult Carranza's maintenance of neutrality.

UNFURL U. S. FLAG IN LONDON

London, April 10.—The American flag was unfurled today beside the colors of the entente nations in the London bridge cafe for soldiers and sailors which is conducted by the countess of Limerick. The presentation of the flag was made by Mrs. Walter Hines Page, wife of the American ambassador.

GERMAN U-BOATS SINK 686 NEUTRAL VESSELS

WASHINGTON, April 10.—German submarines have sunk during the war a grand total of 686 neutral vessels, including 19 American, and have attacked unsuccessfully 79 others, including 8 American, according to an official tabulation given out at the state department today and complete up to April 2nd. Since the German war zone went into effect on Feb. 1, more than one third of the vessels sunk have been neutral and a large number of other vessels have been terrorized into staying in port.

No estimate is available of the number of lives lost on neutral ships but it is known to have been large.

PROPOSES MILITARY CENSUS OF ILLINOIS

Curtis Bill Starts On Its Way Thru State Senate

Measure Provides Complete Census of Men, Industries and Material in Illinois Available for War—Introduces War Appropriation Bill in Senate.

Springfield, Ill., April 10.—The bill proposing a complete census of the men, industries and materials in Illinois available for war started its way thru the senate today. The bill was favorably reported at a hurried meeting of the senate appropriations committee held before the session and was reported to the senate to read the first time. Senator Curtis of Grant Park, author of the bill said he would undertake to have it read a second time tomorrow and put on final passage in the senate this week.

Women May Aid State.

Patriotic women who have volunteered their services will find a means at once of aiding the state if the bill passes, according to Adjutant-General Dickson, who explained its purpose to the committee today. In addition to 10,000 enumerators to take the census without pay, a corps of 150 girls will be needed.

General Dickson said that the federal government would order the organized guard to other places and said it would be necessary to form new units to guard the state.

Senator Dunlap and Turnbaugh opposed the bill, which carries an appropriation of \$50,000 on the grounds that the information is available thru other sources.

The war appropriation bill was introduced in the senate. It proposes to appropriate \$1,000,000 to mold, size and maintain troops or to assist the United States in maintaining them.

Adopt Resolution.

The hurried resolution declaring that the state endorses the sentiments of President Wilson in advancing the rights of small nations to govern themselves and wage for their own destinies free from the oppression of larger neighbors was adopted by the senate today. It already has passed the house. It also recommends a league of nations to consider the rights of Belgium, Ireland, Poland, and other small nations.

Land Patriotism of Private.

A resolution lauding the patriotism and bravery of Private John Poor of the United States Coast Artillery, declared to be the first American soldier killed in line of duty in the conflict with Germany, was adopted by the Illinois house of representatives today. Private Poor was killed March 24 at Fort Williams, Portland, Maine, while pursuing two men, believed to be spies who were approaching the fort.

Suffragists Lose Fight.

The suffrage amendment alliance lost a hard fought battle today when the judiciary committee of the Illinois house of representatives voted to kill the resolution proposing an amendment to the state constitution to give women complete suffrage.

After an extended hearing the resolution was reported out with a unfavorable recommendation by a vote of 22 to 14.

A senate committee reported the resolution out favorably several weeks ago but it has never reached the floor.

Pass Buck Bill

Despite the heated opposition of Republican Senators Hall and Austin and a combined Democratic front, the Buck bill to amend the civil service law by increasing the number of exemptions and depriving discharged employees of the right of trial passed the Illinois senate on second reading today and was made special order for final passage tomorrow. Committee amendments proposing a further increase of exemptions and permitting trial for discharge only when the question of political or religious prejudice was raised were adopted after vigorous debate.

CONVERTING STEAMER EASTLAND INTO GUNBOAT

CHICAGO, April 10.—The Steamer Eastland which turned over in the Chicago river in July, 1915 with a loss of 815 lives is being converted into a gunboat to be ready for service July 1. It was learned tonight. The ship after being raised was purchased by the government originally to be used as a training ship for the Illinois naval militia. The boat is to be renamed the "Willmette."

OFFICIALS RELEASE LAUNCH

Fernandina, Fla., April 10.—The launch "Joyeuse" held up by a coast guard cutter and brought into this port last Friday for investigation has been released. It has been reported that she had about 2,000 gallons of gasoline and a German crew, but the federal authorities found nothing irregular.

PROPOSES CREATION OF FOOD COMMISSION

National Agricultural Society Makes Recommendation

Would Give Commission Power to Fix Prices and to Supervise Marketing and Distribution of Food in United States During the War.

Washington, April 10.—Immediate creation of a federal food commission with power to fix prices and to supervise marketing and distribution of food in the United States during the war, was proposed formally today by the National Agricultural Society.

Society Adopts Resolution

At an "agricultural mobilization" convention held here the society adopted resolutions recommending this and other measures to meet a threatened food shortage, including increased food crop acreage, an amendment of wheat milling laws and a liberal encouragement of sheep raising.

The convention was called to aid the administration in solving one of the most serious problems with which it is faced in the conduct of the war. The prospect of short crops is giving great concern to officials not only charged with the responsibility of seeing that America is fed, but keenly aware too, of the fact that this country in a large measure must supply the other countries fighting Germany. In a letter to the convention, President Wilson appealed to the farmer to swell his production at a patriotic war time duty and declared the farmer by planting and increasing his production in every way possible will perform a labor for which he will be recognized as a soldier of the commissary.

Would Also Handle Clothing

The recommendation of the agricultural society comes close upon a move by the council of national defense forecasting appointment of a national food committee headed by Herbert C. Hoover, who has had charge of American relief work in Belgium. The defense council announced Saturday it would ask Mr. Hoover to become chairman of a committee which could advise as to best methods of stimulating food production and of preventing speculative prices. The convention's resolution proposed that a food commission, if framed, handle also the production and distribution of clothing. They also recommended that agricultural colleges graduate their senior classes earlier this year so they may go immediately to the farms and that state councils of defense be named to aid the national council, a step already planned in some states.

A dozen speakers urged mobilization of the country's food resources. James Wilson, formerly secretary of agriculture and president of the Agricultural Society, spoke for soil conservation.

Would Improve Situation

Herbert Quick of the farm loan board, said operation of the farm loan act would improve the agricultural situation. A wheat shortage, he said, would force the country to turn to corn as a substitute. The position of the farmer, he declared, was critical, despite the high prices because of a labor shortage and because of high prices charged for machinery and seed.

An arrangement of the back-to-the-farm movement was advocated by Theodore N. Vail, to meet the situation. The farm now offers, he declared, probably the greatest opportunity for individual success of all the country's industries.

Millions of food gardens as a means of combating a food shortage was suggested by Charles L. Pack, president of the National Emergency Food Garden commission. Senator Phelan of California, said the American war strategy appeared to be the control of food supplies. This country, he said, must practice food economies as have the other belligerents, if it expects to emerge victorious.

ROOSEVELT VISITS PRESIDENT WILSON

Places Plans for Recruiting a Division of Troops Before Executive.

Washington, April 10.—Colonel Theodore Roosevelt, full of his old time vigor and enthusiasm, began here today a personal campaign designed to result at the "earliest possible moment" in the appearance of the American flag and the American soldiers including himself upon the firing line in France.

The former president placed his plans for recruiting a division of troops before President Wilson at a half hour conference at the white house and during the remainder of the day and evening was busy with callers at the home of his daughter, Mrs. Nicholas Longworth. He talked about his project to the chairman and minority leaders of the house and senate military committees and made arrangements to write them letters giving more specific details. He conferred with Secretary Baker and with Howard Coffin, Daniel Willard and Julius Rosenwald, members of the advisory commission of the council of National Defense. He also received calls from the British, French and Japanese ambassadors, assistant Secretary of State Phillips, assistant Secretary of the Navy, Franklin Roosevelt, many senators and representatives and a score or more of personal friends, some of them civilians and others officers of the army and navy.

TWO GRAIN ELEVATORS BURN

Minneapolis, Minn., April 10.—Two grain elevators were destroyed by fires believed to have been of incendiary origin here early today. The total loss will be nearly \$500,000.

CABINET REVIEWS WAR ACTIVITIES

Decide Most Pressing Needs Are Increase in Foodstuffs and Ships

APPEALS TO FARMERS

President Asks Farmers To Make It Their Patriotic Duty to Increase Food Supply

EXAMINE GERMAN SHIPS

WASHINGTON, April 10.—President Wilson and his cabinet at today's meeting reviewed the many phases of war activities, found that every step available to equip the army and navy and turn out munitions is under way and decided that the most pressing needs of the nation are to increase the supply of foodstuffs and ocean going vessels and to raise sufficient money to finance America's part in the war and make liberal loans to the entente allies.

For present activities the allies are understood to be well supplied with munitions and to have as many men in the field as they can equip and feed under present conditions.

Wilson Appeals to Farmers

President Wilson personally appealed to farmers today thru the national agricultural society to make it their patriotic duty to increase the food supply of the nation, and Secretary Lane brought forward a plan for greatly increasing the acreage under cultivation on public lands.

Secretary McAdoo left the cabinet meeting early to appear before members of the ways and means committee of the house regarding plans for issuing bonds totalling \$5,000,000, 000 and \$2,000,000,000 in treasury certificates. The bill for the issues will be introduced in the house tomorrow.

The government already is in possession of information that several of the allied nations will be glad to accept of loans from the United States, Russia and France probably will be among the first nations supplied.

Examine German Vessels

To meet quickly the demand for ships, examination was begun of the German merchant vessels in American ports which the government plans to use. It appeared probable that Major General George Goethals, builder of the Panama canal, would be placed in charge of the construction of the great fleet of 1,000 wooden ocean going vessels for the shipping board. In its consideration of ways of raising a large army, and at the same time keeping necessary industries going at full speed, the administration has decided to consider separately the production of luxuries and the necessities of life. It is taken for granted that people will be willing to give up luxuries.

In making exemptions from service, if congress authorizes the draft the government will take the position that if young men work in industries producing luxuries, this labor is not necessary and they will not be exempted.

Appear Before Committee

Secretary Baker, General Scott, chief of staff, and General Crowder, judge advocate general appeared before the house military committee to urge its adoption of the war army bill and will appear again tomorrow.

In spite of the break in diplomatic relations with Austria the government made no move today toward asking congress to declare that a state of war exists with that country and it was indicated that no belligerent steps will be taken unless Austria moves first.

RUSS WATCHWORD MUST BE UNION

PETROGRAD, April 9.—via London, April 10.—Delayed.—"Russia's national watchword must be union—front and rear." This declaration was made by M. T. Cheidze, Socialist member of the Duma and president of the executive committee of the council of workmen's and soldiers' deputies.

He had special reference to the widespread strike movement which until the last few days appeared to threaten the supply of Russia's army and civilian population.

WEATHER INDICATIONS AND TEMPERATURES

Illinois: Partly cloudy and somewhat warmer Wednesday; Thursday unsettled and cooler, probably showers in south portion.

Temperatures

The current, maximum and minimum temperatures recorded Tuesday were:

THE JAPS' ANSWER.

The talk about what Japan may sometime do to the U. S. is something if action of Japanese in California can be taken as evidence. One strong organization there has passed a resolution indicating that the members are ready for service in the U. S. against Germany, and still another society is ready with active aid for the Red Cross Work.

THE VETERANS WIN.

The old soldiers have won, just as they did in the days of the '60's. It was a peace conference that was held at the court house yesterday and everybody manifested a willingness to carry out the wishes of the veterans. There has been the long desire of a number of citizens to have a memorial building rather than a monument, but all along it has been understood that the wishes of the veterans must have first consideration, and if they could not be won over to the memorial building plan, that the monument idea must be carried out. So let it be.

THE REAL AMERICAN SPIRIT.

It is said that Warren C. Nixon who has just been assigned to the post of second command on a U. S. Navy destroyer, was offered the post as naval representative of the U. S. in London. He declined that place because he preferred active service in the navy and not an office post. The post at London was honorable and safe. The second lieutenantship is a place no less honorable but one of constant danger. It is of such stuff that American manhood is made.

NOT CUPID'S WORK.

Those newspaper headlines that Cupid is receiving thousands of recruits in Chicago are misleading. In many instances it is cowardice and not Cupid that is bringing about that vast number of matrimonial alliances. If the marriage license activity continues the law will have to be changed and in army recruiting work show no special consideration for married men unless they have been "in the harness" for a year or more.

A SENSIBLE CENSUS PROPOSAL.

In accordance with the wishes and opinions of Gov. Lowden and Adjutant Gen. Dickson, a bill is before the legislature proposing a military census of Illinois. The purpose is to thus have available the facts about men who can be summoned for army duty and further facts about available supplies. This is a very sensible preparedness plan and one in which the people should join heartily, and thus greatly lessen the work. It has been suggested that in this connection young women who are anxious to do patriotic service for their country can show that spirit by offering their services as enumerators to collect statistics without pay.

SUNDAY IS PATRIOTIC.

The winter's left me feeling faint, but when I've got my wind, I'll buy a quantity of paint, all ready mixed and tinted. And while you talk of war's alarms, and grind your saber true, my house will have some added charms; I'll paint it pink and blue. I won't neglect the spring-time stunt, to talk of, siege and wreck; if I am needed at the front, you'll find me there, by heck; but till I hear the tocsin sound, and see the helmets shine, I'll spread the ochre all around, with oil and turpentine. When martial stories stir our pride, and nature wildly roams, we're all too prone to let things slide around our happy homes. We stand around in warlike groups, and make our frenzied brag of how we'll play the knave who whoops base insults at the flag. And while we frame our lurid vows to guard our native shores, we all forget to milk the cows and do the other chores. But I shall paint the clatter pump until my country calls, and then I'll answer, on the jump, in my tin overalls.

NO WAR TALK IN WAR ROOMS.

The first effect of the war upon the liquor business is seen in the order of a Philadelphia jurist who has declared that saloon keepers must not allow any discussion of the war in their places of business. In a locality where saloon customers are of such varying nationalities the saloon men have a hard task before them. There will be violations. Then will come other orders outlining the conduct of saloons looking to the least possible interference between liquor consumption and war preparation activities. Finally there will come the exemplification of the now old adage that "You cannot mix booze and business successfully." Then the U. S. will follow European precedent and intoxicating liquor will go. Watch and see.

GOVERNMENT ADVERTISING.

If the United States government be wise, it will be the largest user of newspaper advertising space this spring and particularly will it advertise its requirements in country newspapers, for it is from the country must be drawn the brawn that will rally to the flag in time of national danger. England has demonstrated to the world that newspapers can do for a government in times of stress. No other lesson need be learned. The newspaper gives to the government hundreds of thousands of dollars in free space every year, calling the attention of the public to various government needs and accomplishments. Now comes the time for paid display advertising. The government is already convinced of the efficacy of newspaper advertising. Indeed, a

board of advisers has been considered in this connection.

Mr. Courtland Smith has been appointed to represent the country newspapers in outlining the plan of campaign. This clearly demonstrates the scope of the movement.—American Press.

THE DUTIES THAT LIE NEAREST.

It is well enough to remember that in these days there is more than one way of serving one's country. Sometimes the greatest patriotism can be found in doing the duties that lie nearest. This is particularly true just now of agriculture. The farmer who uses extra effort to increase his acreage will no doubt be well repaid in the larger crops, certain to be salable at a high price, but he nevertheless will be engaged in a patriotic work. With the known scarcity of farm labor some patriotic effort will be necessary, for the chances are that even the wealthy and so-called "independent" farmers this year will in many cases face the necessity of doing manual work themselves if all the cultivation desirable is done.

Along the same line, some of the railroads centering in Chicago have determined that they will not encourage enlistments among their employees. They declare that with heavy movement of munitions and supplies in prospect, that the services of all men now employed will be needed. If railroad workers should enlist to such an extent that traffic was interfered with that would be doing much more harm to the preparedness program than they could be doing good by training in the military camps. It all goes back to a statement previously made, that a master baker is sometimes much more valuable to an army than a colonel.

THE STAR SPANGLED BANNER.

The following historical facts about the Star Spangled Banner are taken from the Springfield Register: The Star Spangled Banner was designed originally by Betty Ross of Philadelphia, and approved by a committee of patriotic citizens, among them George Washington, then commanding the Army of the United States. The resolution for the Stars and Stripes as the American emblem was passed by the Continental Congress, June 14, 1777.

An American ship, the Columbia, carried the American flag around the world in 1792-1795.

The American flag was first displayed in a foreign port from the mast of the American schooner Bedford of Massachusetts, which arrived in the British Downs, Feb. 3, 1783.

The first American flag for the United States navy was hung to the breeze by John Paul Jones, the first American naval officer to engage a foreign foe. This flag had but 12 stars on it and it flew at the topmast of his good ship Ranger.

France recognized this flag while it floated over the Ranger, and this act also constituted the recognition of the young American government.

Every battleship of the United States navy is entitled to 250 American flags every three years, although there are many renewals during that period. The total cost of the flags for each ship is \$2,000 which totals a large sum for the entire navy. The army uses equally as many.

The original flag was made in Philadelphia, from bunting imported from England in 1776, just before the Declaration of Independence was promulgated.

Rippling Rhymes By WALT MASON

The Spring Stunt

When I've got my wind, I'll buy a quantity of paint, all ready mixed and tinted. And while you talk of war's alarms, and grind your saber true, my house will have some added charms; I'll paint it pink and blue. I won't neglect the spring-time stunt, to talk of, siege and wreck; if I am needed at the front, you'll find me there, by heck; but till I hear the tocsin sound, and see the helmets shine, I'll spread the ochre all around, with oil and turpentine. When martial stories stir our pride, and nature wildly roams, we're all too prone to let things slide around our happy homes. We stand around in warlike groups, and make our frenzied brag of how we'll play the knave who whoops base insults at the flag. And while we frame our lurid vows to guard our native shores, we all forget to milk the cows and do the other chores. But I shall paint the clatter pump until my country calls, and then I'll answer, on the jump, in my tin overalls.

THIS DATE IN HISTORY

April 10, 1821—Sangamon county, Illinois. Contract was let to John Kelly to erect the first court house in Sangamon county.

SPECIAL SALE OF WOOL DRESS SKIRTS TODAY AT HERMAN'S.

MASQUERADE AT J. H. S.

The new stage in the David Prince gymnasium will be used for the first time this evening for the performance to be put on by the high school classes and societies tonight. These acts will follow a masquerade party, to which it is requested that everyone come masked. The party is announced for 7:30 o'clock.

SUPER AT LITERBERRY

The Ladies' Aid society of Literberry held a successful supper Saturday evening in the parlors of the church. Mrs. H. D. Crum, Mrs. O. M. Petesh, and Mrs. Warren Daniels had charge of the tables. The soliciting committee was composed of Mrs. W. W. Young, Mrs. W. E. Rexroat and C. A. Beavers.

SOCIAL EVENTS

Zion Ladies' Aid in Birthday Social.

The Ladies' Aid held their birthday social Monday night at the home of Mr. and Mrs. C. E. Hart. There were about 65 present. A musical program was an enjoyable feature of the evening's entertainment.

Miss Elizabeth Slaughter of Jacksonville favored the company with a number of beautiful selections, both vocal and instrumental; Miss Beth Bracewell gave an instrumental selection, S. A. Bracewell sang a solo and Mrs. Beulah Mutch also sang several songs. Miss Alma Mutch was heard in a reading. After the program, refreshments were served and a social hour enjoyed.

Strawn's Crossing Woman's Club.

The Strawn's Crossing Woman's club met with Mrs. Pauline Corington Tuesday afternoon, the president, Mrs. Laura Armstrong, presiding. There was a large attendance of members and ten visitors also were present. The delegates selected at the last meeting to attend the meeting at Havana in May announced their alternates. The alternates are: Mrs. Laura Armstrong and Mrs. Pearl Cully. At roll call the members answered to Women of the White House. Mrs. Trotter read an interesting paper on "South American Women and their Homes." Mrs. Eva Strawn gave a talk on pickle making. The next meeting will be held with Mrs. Lena Arnold Tuesday, April 24.

Baptist Sunday School Teachers Enjoy Supper.

Teachers of First Baptist Sunday school enjoyed 6:30 o'clock supper Tuesday evening in the church dining hall and afterwards gave attention to a very profitable program. Teachers of the primary department served, under direction of the superintendent, Miss Mabel Withers. Some valuable suggestions for getting the most benefit from teachers' meetings were given by Mrs. L. B. Turner. "Sunday School Finances" was the subject presented by Charles H. Story. Prof. R. H. Tanner, superintendent of the adult department, gave a talk on "The Ideal Sunday School."

Will Entertain Bridge Club.

Mrs. A. M. Masters will entertain the Afternoon Bridge club at her home in South Jacksonville Friday, April 20.

Surprise Party Given

Mr. and Mrs. J. F. Day, 868 North Prairie street, were given a pleasant surprise Monday evening at the hands of a number of their friends. Mr. and Mrs. Day, who recently were married, were the recipients of a number of handsome and useful presents. In the party there were included Mr. and Mrs. Tellere, Mr. and Mrs. John Ornellos, Mr. and Mrs. Frank Vieira, Mr. and Mrs. Leslie Vieira and Miss Mary Day.

For Mrs. Esta Brown

Mrs. George R. Matthews and Mrs. Lloyd Brown entertained Tuesday at the home of Mrs. Matthews, 215 Webster avenue, for Miss Esta Brown. A delightful afternoon was spent at bridge.

Thursday at 1 o'clock, Mrs. Alden Brown will entertain at luncheon at her home on West State street, honoring Miss Brown.

Congregational Society

In Thank Offering Meeting the women's Home Missionary society of the Congregational church held the annual thank offering meeting Tuesday afternoon in the parlors of the church, with Mrs. T. P. Carter, the president, presiding and leading the devotional service. "The Resurrection" by Shelley was given as a solo by Miss Mabel Matthews. Miss May Dummer gave a reading from Zola Gale. A violin duet was given by Misses Marjorie Black and Louise Robinson. Mrs. R. W. Hatchison accompanying them on the piano. The committee in charge of the program included Miss Grace Dummer, chairman, Mrs. W. T. Wilson and Mrs. Carrie M. Daniels.

Mrs. Woods Hostess to Home-Makers

A "Mother's Day" program was carried out Tuesday afternoon, when the Franklin Home-Makers' circle met at the home of Mrs. Newton Woods. Mrs. Ed Evans read a paper on "Mothers" and Mrs. C. J. Whitlock read a paper in which she discussed the care of children and the aged by the state. A group of songs was given by Mrs. Samuel Daniel, who was accompanied by Mrs. W. N. Luttrell. Miss Minnie Hoffman of Jacksonville was present as a guest and she favored the company with a violin solo, to accompany with Miss Alma Leake. Floral decorations were in keeping with the occasion and during the delightful social hour which prevailed, excellent refreshments were served.

Delta Alphas Meet

At Home of Miss Finney The Delta Alpha class of Central Christian church met Monday evening at the home of their teacher, Miss Marie Finney, of Jordan street, with Miss Meda Duncan serving as hostess. It was the first intention to hold this social and business meeting at the church but the change was made on account of the Y. Y. C. A. supper there.

BOLD ROBBER PREVENTS AN ELOPEMENT

Last night a very cleverly arranged elopement was interrupted by a bold burglar, who happened alone at the opportune time. He was trying to break his way into the K. of P. hall. Just as he opened the window there stood two of Jacksonville's popular young people, ready to leave with their suit cases. The burglar being as much surprised as they, stood there astounded, but after a thorough explanation of facts it became

O. K. K. Don't miss it.

PARK BOARD HELD THE WEEKLY SESSION

Gift of Shrubs From J. A. Kooyer Reported—Mullenix & Hamilton Ready to Sign Retrenchment Privilege Contract

The park board met last night in regular session. Several bills were ordered paid. Specifications for concrete walks to be constructed in Duncan and central parks, prepared by City Engineer Henderson, were submitted and adopted and the secretary was instructed to see to getting bids. The gift of a large barbel of perennial plants and shrubbery from J. A. Kooyer of Holland, Mich., was announced with much satisfaction as the articles donated are very valuable. Mrs. Weill for Duncan park reported a very desirable job of tree trimming accomplished.

The committee on new monkey house reported progress, remarking that the structure was unusual and plans and specifications were hard to get. Mr. Gomes reported material ready for the new apparatus in the first ward playground and was instructed to have it put in place. When done it will be similar to that in Nichols park.

A communication from Mullenix & Hamilton was read stating that they were ready to sign the contract that had been voted to them and comply with the term for refreshment privileges for a year with privilege of three and desired the board to have the documents ready and place them in possession of the refreshment building.

Dan McCarty of Franklin was one of the city callers yesterday.

AUTO CRANK BROKE ARM

Jesse Petesh of Literberry is suffering from a broken right forearm, the result of an accident Monday morning about 9 o'clock, when he was cranking his car, a Ford, Dr. A. E. Obermeyer of Arcadia was called to attend him.

Mr. Petesh, who is the son of Mr. and Mrs. A. W. Petesh, had recently desired to enlist in the navy and had given up the idea only with reluctance upon the urging of the other members of his family.

A VIRGINIA GIRL

Gained 15 Pounds by Taking Vinol.

Norfolk, Va.—"I suffered from nervousness, had no appetite and was very thin. Nothing I took seemed to help me until one day a friend told me about Vinol. I have now taken six bottles and have gained fifteen pounds; have a good appetite and can eat anything."—Mattie Denning, Norfolk, Va.

Vinol, which contains beef and cod liver peptones, iron and manganese phosphates, and glycerophosphates, is a constitutional remedy which creates an appetite, aids digestion and makes pure healthy blood. Try it on our guarantee.

Lee P. Albott, druggist, Jacksonville. Also at the leading drug store in all Illinois towns.—Adv.

MURRAYVILLE RESIDENT SUMMONED BY DEATH

John Covey Dies Tuesday Forenoon at 75th Year—C. R. Holliday Dead in Quincy—Mortuary Record

John Covey died Tuesday forenoon at 11:30 o'clock at his home, eight miles southeast of Murrayville. Mr. Covey had been in failing health for some time.

Mr. Covey was born Oct. 8, 1842, and when the war of the rebellion broke out, enlisted in Co. H of the 101st Illinois Volunteer infantry. He was married to Miss Rhoda Holmes and she, with eleven children, survive him. None of the children born to Mr. and Mrs. Covey have passed away and thus the passing of Mr. Covey was the first death to occur in the family.

The sons and daughters of the deceased are Mrs. Minnie McGowan, Alton; Mrs. Annie Nichols, this city; John W. Covey, near Nortonville; Mrs. Maggie Stalls, Mrs. Bertha Brisendine and Mrs. Lydia Nimes, Nortonville; George Covey, Nortonville; Robert Covey, Mrs. Flora Myrick, this city; Sanford Covey, Nortonville; Hugh Covey and Mrs. Julia Cary, who reside in Greeley, Colo.

Funeral services will be held some time Thursday, the hour to be announced later.

Holliday.
Willard W. Holliday left Tuesday afternoon for Quincy, where he was called by the death of his brother, C. R. Holliday, who passed away Tuesday morning at 8:30 o'clock.

Heart trouble, which followed an attack of la grippe, was the cause of death.

Mr. Holliday was born in western Morgan county, spending his boyhood and youth in the Morgan and Chapin communities. For many years he was employed by the Wabash railroad, holding the position of baggage master.

He is survived by his widow, a daughter, Katherine, and two sons, James and Charles Holliday. Mr. Holliday is survived by the following brothers and sisters: Mrs. Agnes Bonebrake, Montrose, Colo.; Mrs. Laura Lamb, Mendon, Mo.; Mrs. Melissa Anderson, Mrs. Mary Anderson, Mrs. Ada Funk, Mrs. Fanny Williams, Mrs. Maggie Moody and J. B. Holliday, Chapin, and W. W. Holliday, Jacksonville.

Mr. Holliday was a man of wide acquaintance and the high esteem with which he was held on every hand gave evidence of a kindly disposition and a character of integrity and strength.

The funeral services will be held in Quincy.

Rust.
Mrs. Susie Ross Rust of 322 Yates St. died at Passavant hospital Monday evening at 7:20 o'clock after an illness extending over a period of nearly a year.

Deceased was born in Shannon county, Mo., in 1879. She was united in marriage Feb. 20, 1902, to Richard Rust. She is survived by her husband and the following children: Floyd, Otto, Opal and Pearl Rust. She also leaves two brothers, John Ross and Jesse Ross and one sister, Mrs. Margaret Case, all residing in Missouri.

Mrs. Rust was a member of the Baptist church and was a woman who had many friends. The funeral will be held from the residence, 322 Yates street, this morning at 10:30 o'clock in charge of the Rev. A. A. Todd, pastor of First Baptist church. Burial will be in Jacksonville cemetery.

Wessel.
Mrs. Mary Wessel passed away Tuesday evening at 5 o'clock at her home, 525 Sharp street, following an illness of more than six months.

Mrs. Wessel, who was born in Ohio, was eighty-eight years old and had made this city her home the greater part of her life. Her maiden name was Mary Coffee and Peter Wessel, her husband, preceded her in death by two years. Mrs. Wessel leaves a daughter, Mrs. Annie Holley, and a granddaughter, Miss Lillie Holley. She was a member of the Church of Our Savior.

Funeral arrangements have not been completed.

O'Brien.
Relatives of Bartholomew O'Brien have received news of his death at St. Mary's hospital in Quincy Monday.

The deceased, who had never married, was a resident of Jacksonville for a long period, removing to Quincy about twelve years ago. He was born in Ireland but came to Illinois as a young man and shortly afterward settled in this city.

The funeral will be held in Quincy today at St. Peter's Catholic church.

Masquerade party tonight, 7:30, David Prince gymnasium. Adm. 10c. All are welcome.

SOLDIERS' RELIEF FUND SHOWS NO RAPID GROWTH

Contributions to Committee Fund Thus Far Have Been Few—It's Time to do Your Bit.

E. E. Crabtree, secretary of the Soldiers' Relief Committee, stated yesterday that only one additional contribution had been received during the day. It was for \$25 and was given anonymously. Mr. Crabtree expressed the view that a great many people are ready and willing to make contributions but have the idea that some committee is going to call on them. It is not the plan of the committee at this time to make personal solicitation as they believe that in this public work persons familiar with the need thru newspaper publicity should come forward with their contributions.

The History class has set a good example for organizations by contributing the balance in their treasury, amounting to \$5 or \$6, for the relief fund. Other organizations are expected to take like action and no doubt it will not be many days until the funds necessary for present relief work have been secured.

MANY GATHERED FOR FUNERAL OF MRS. PHILLIPS

Services Were Held Tuesday Afternoon in Charge of Dr. F. A. McCarty and Other Ministers—Burial in Diamond Grove Cemetery.

Funeral services for the late Mrs. Carrie H. Phillips were held at the home of her niece, Miss Mary W. Price, 707 West State street, Tuesday afternoon at 3 o'clock. Dr. F. A. McCarty was in charge of the services and was assisted by Rev. E. L. Fletcher and Rev. M. L. Pontius.

The large company present included members of the Ladies Aid society of Centenary church, who came in a body. Mrs. Phillips had for many years been a faithful member of the society and for several years served as president. Dr. McCarty as pastor of Centenary church, had become intimately acquainted with Mrs. Phillips and it was fitting indeed that he should speak at her funeral service. The minister referred to his intimate knowledge of Mrs. Phillips with as he had several her devotion to the church and her interest in all things spiritual. He made special comment upon that quality in Mrs. Phillips' life which made her able to find the greatest joy in service. She was never desirous of self-aggrandizement and her first thought was always of others. So Mrs. Phillips' years on earth were marked with loving sacrifice. She wrought well and faithfully for others, and so in the later years of her life could look back with joy upon a life well spent.

It was not in accordance with her disposition to talk of her good deeds or kindly acts, but it was given to her pastors and to others who knew her intimately to judge of her real worth from a knowledge of these qualities. Unselfishness was the keynote of her character. She kept her spirit in tune with the infinite and those who knew her best loved her the most. Seven children not her own grew to maturity in the home over which she presided and she gave them a mother's love and unselfish care. So, the minister said, Mrs. Phillips had gone on living beautifully and quietly thru the years and had slipped away into the other world to reap the reward which comes with certainty. "To those who do justice, love mercy and walk humbly in the sight of God."

Mrs. Phillips' maiden name was Carrie Hurst and she was the daughter of William S. and Sarah Hurst and was born in Jacksonville Nov. 5, 1842. After finishing the work in the public schools she graduated from Illinois Woman's college, known in that day as Illinois Female college. It was Sept. 2, 1875, that she was married to William M. Phillips who died in this city about 1909.

The deceased is survived by one daughter, Miss Bea Phillips, her niece, Miss Mary W. Price, of this city, a nephew, Warren W. Price, of Chicago, and a number of other relatives. At the service yesterday there were many beautiful flowers and these were in the care of Mrs. S. W. Babb, Misses Kate Babb, Eleanor Thompson, Anne Hodgson and Carol Lander. Music was supplied by Mrs. George Hollinger, Miss Cora Graham, John L. Johnson and T. H. Rapp. Interment was in Diamond Grove cemetery and the bearers, members of the official board of Centenary church, were C. W. Boston, James Cridland, George Blair, E. L. Kiney, Charles Glossep and A. C. Metcalf.

ALBERTO SALVI, BARITONE
Helen Brown, Read, dramatic soprano, Congregational church, April 30th.

MATRIMONIAL

Swanson-Hale

A number of Jacksonville people have received information of the marriage of Miss Bernadine Hale to Arnold R. Swanson in Chicago. The bride is a daughter of Mr. and Mrs. Thomas Hale and is well known in Jacksonville. Mr. Swanson is an employee of the Wells-Fargo Express company in Chicago. For the present the young people will make their home with the bride's aunt.

MADE NO PRE-ELECTION PROMISES

John Snyder, who was recently elected commissioner in road district No. 8, has expressed his wish to consult with taxpayers and voters at any time with reference to road improvement problems. Mr. Snyder says that he made no promises previous to his election and is in position to give his best energies and judgment to the betterment of the highways in his district.

HISTORY OF MEDICINE

The Morgan County Medical Society Will Be Fifty Years Old In May.

DR. G. V. BLACK'S

FIRST MEETING.

Extract from the minutes of the Morgan County Medical Society for Dec. 11 1866: "Dr. David Prince exhibited several varieties of instruments for producing spray for medication of air passages and for deadening sensibilities of parts in order to lessen or prevent pain attendant upon surgical or dental operations. He went briefly into the history of the introduction of inhaling medical substances blown off in spray as first practiced in France and Germany and then explained the instrument invented by Dr. Richardson of London for the production of insensibility of parts by blowing upon them a spray of ether or chloroform, which is capable of freezing in a few seconds by the tendency of rapid evaporation to produce cold. He exhibited an ingenious modification devised by Dr. G. V. Black for the purpose of shielding the lips and tongue from the spray while it is being blown upon the gums preparatory to extracting teeth."

"Dr. Prince referred to cases in which union by first intention had occurred under unfavorable circumstances after the application of the spray of ether to the cut surfaces. He thought this result was secured by the speedy arrest of the flow of blood from the minute vessels under

the influence of cold."

"Dr. (W. S.) Edgar confirmed this view by selecting cases occurring in connection with the battle of Vicksburg in which union by the first intention had been secured by the application of ice to the wounds immediately after the amputation and before the final dressing."

"Dr. (G. V.) Black made some remarks explanatory to his employment of the spray in extracting teeth, thinking the instrument a valuable means of lessening or destroying sensibility. In some cases he had found patients unable to bear the sudden reduction of the temperature on account of the exposed and irritable condition of the nerves of the teeth. In some of these cases he had succeeded in employing the spray by first covering the tooth with wax."

"On motion it was resolved that the thanks of the society be tendered Dr. Black for his valuable contribution to Dental Surgery."

"The subject of local anesthesia being under consideration Dr. (W. S.) Edgar reported a case of ankylosis of the elbow joint of a young lady treated with chloroform and olive oil to the joint enclosed in oil silk to prevent evaporation by which means all sensation was removed, the adhesions were broken up and the joint restored."

WAR NEWS SUMMARIZED

"On to the Dord-Cambrai," evidently is the slogan of the British forces fighting in France. Notwithstanding strong resistance by the Germans and the added handicap of a heavy snowstorm, King George's forces, notably the Canadians, have again hit the German line hard at several points for good gains along the front from Vimy southward and also to the west of Cambrai.

Five miles east of Arras the British have reached the suburbs of Monchy-Le-Prex and northeast of Arras have cleared the Germans from the village of Farbus and the Farbus wood, while to the immediate north of this sector the Canadians in hard fighting took additional important positions on the famous Vimy ridge and captured prisoners and machine guns. Ten miles west of Cambrai the British have established their line to the north of the village of Louveral.

In the two days fighting along the front from Lens to the southeast of Arras the Germans have suffered great losses in men and guns. More than 11,000 prisoners, among them 235 officers, have been taken and 100 guns, 60 trench mortars, and 163 machine guns have fallen into the hands of the British. The advance of the British over the entire front has been made to a depth of from two to six miles.

The Berlin official communication admits that two German regiments in the fighting near Arras Monday suffered "considerable losses" in the fighting near Arras Monday. It admits also that the British succeeded in penetrating German positions but says they did not break through the line.

On that part of the line held by the French reciprocal bombardments continue at various points. An infantry engagement has taken place. Again the British and Russian forces report successes over the Turks in Mesopotamia and along the Caucasus front. The Russians operating against the Ottomans in Mesopotamia have captured the village of Kismet, eighty miles northwest of Bagdad, and to the north of this region have driven back the Turks in the district of Baneh. Fifty miles northwest of Bagdad the British troops have captured the villages of Balad and Herb from the Turks and made prisoner nine officers and two hundred men. Two machine guns and railway materials were taken by the British.

On none of the other fronts has there been any engagements of great importance.

Unofficial advice says Brazil has severed relations with Germany.

AUTO OVERTURNS; ONE DEAD

Waterloo, Ia., April 10.—George L. Ward, of Waterloo, veteran Illinois Central passenger conductor, was killed this afternoon when his automobile overturned two miles north of Manchester. He was driving to Edgewood to visit relatives. While rounding a curve in the road the car slipped off the grade and upset. No one saw the accident. He leaves a widow and one son.

DUST EXPLOSION IN FACTORY KILLS ONE

Second Victim of Blast in Dubuque, Ia., Sash and Door Plant Fatally Injured

Dubuque, April 10.—A dust explosion in the shavings room of the Farley and Loetscher Sash and Door factory at 6:30 this morning caused the death of one man and fatally injured another.

The dead, James Reed, 70 years old, laborer.

Fatally injured, Maurice Hoyle, 45 years old, laborer.

The explosion occurred when Reed entered the shavings room with a lighted lantern. The room is eighty feet long, thirty feet wide and sixty high. Shavings are assembled there from the entire plant.

The property loss is estimated at \$80,000 to \$100,000. Seven hundred men were thrown out of employment until repairs can be made. Destruction of the plant by the fire was prevented by the fact that the building is of fireproof construction and equipped with a sprinkler system.

Rumors of German plot are unfounded.

Masquerade party tonight, 7:30, David Prince gymnasium. Adm. 10c. All are welcome.

FUNERALS

Smith

The funeral of the late William Smith was conducted yesterday morning at Island Grove Methodist church with services in charge of Rev. O. E. Johnson. A large company of relatives and friends gathered to pay this last tribute of respect to the memory of one so well remembered in that community and so universally esteemed. Mrs. William Barr Brown sang several hymns and the services thruout were of a very impressive character. Interment was in Woodworth cemetery and the bearers were B. W. Brown, Barr Brown, Brown Hitt, E. W. Brown, Lloyd Brown and Edwin Smith. The many beautiful flowers were cared for by Mrs. Edward W. Brown, Miss Anne Smith and Mrs. James D. Smith.

The remains of Mr. Smith were brought to his old home neighborhood from Vermont, accompanied by his son, Kinney Smith. Among Jacksonville relatives who attended the services were Mr. and Mrs. Edward W. Brown, Mrs. W. B. Brown, Mrs. W. F. Brown, Mrs. R. S. Gailey, J. P. Smith, Lloyd Brown, Miss Anna Brown and Edwin Smith.

WITH THE SICK

Mrs. J. H. Campbell of South Clay avenue, who has been a patient at St. John's hospital, St. Louis, is improving steadily according to word received by friends in Jacksonville.

Mrs. Lewis Roberts, who for a number of days has been ill at her home in Franklin, was Tuesday evening said to be in serious condition. Mrs. Thomas Worthington continues to improve steadily, according to word from her home on Grove street, where Mrs. Worthington has been ill a number of weeks. She is able to sit up a good part of each day.

C. C. Phelps who recently completed a period of hospital treatment and returned to his home on West College avenue, was able Tuesday to visit his place of business.

EXPLOSION DEATH LIST REACHES 112

(Continued from Page 1.)

There were numerous instances of heroism. Captain Walter Wilhelm, vice president of the Edystone corporation and formerly a national guardsman, dashed thru smoke and flame into the wreckage no less than ten times, each time carrying someone to safety.

Present's Pathetic Scene. Thruout the afternoon and until a late hour tonight theater presented a pathetic scene. Thousands of friends and relatives of the victims were surging thru the streets in an effort to locate their loved ones, either dead or alive. Crowds of morbidly curious in front of hospitals and morgue were held back by National Guardsmen. The Edystone corporation was organized originally by investors identified with the Baldwin Locomotive Works, was taken over last September by a commission representing the British and Russian governments. Since that time this commission has been carrying on the manufacture of munitions for entente allies. The financial loss as a loss of the explosion is estimated at \$25,000, not including the ammunition destroyed. Work will be resumed tomorrow in all departments except the box, packing and base charging departments. More than 10,000 persons are employed at the plant.

William O'Donnell of Hazelton, Pa., who was in the pellet room when the explosion occurred, charged the Edystone officials with laxity in the matter of hiring munition workers. He declared that many Mexicans recently arrived from the border were hired and that Germans and Austrians also were given employment.

LIFE IN NAVY SUBJECT OF PATRIOTIC DISPLAY

An attractive display illustrating life in the navy has been arranged in the window of the C. C. Phelps Dry Goods Co. The display is the work of E. E. Grassly, who, with posters and pictures furnished by the war department as a basis, assembled a very interesting exhibit. Especially noteworthy are two historic flag exhibits prepared by Mr. Grassly.

ALTON PRESBYTERY IN SESSION AT WHITE HALL

Program Arranged Covers Three Days—Delegates Named to General Assembly in May—Presbytery Comprises Ten Counties.

White Hall, April 10.—The annual meeting of the Alton Presbytery convened Monday evening in the Presbyterian church in this city, and the sessions will be concluded Wednesday evening. There are seventy-six visitors registered. Rev. W. S. Neely, of Jerseyville, was elected moderator, the retiring moderator being Rev. David H. Cramer of Litchfield, who delivered a sermon on, "Nearly Christianity." Rev. Jas. R. Smock, of Edwardsville, is stated clerk and treasurer, and Rev. Guy E. Smock of Carrollton, is permanent clerk. The Alton Presbytery comprises ten counties, including Sparta on the south and White Hall on the north.

The following were elected delegates to the general assembly to be held at Dallas, Texas, in May: Chas. M. McManis of Alton, Rev. H. M. Thomas of Chester, E. C. Richards of Hillsboro, Prof. Challacombe of Carlinville.

The following program has been carried out up to Tuesday evening: Tuesday, 8:30 A. M.

Devotional Service and Bible Study (45 minutes)—The Rev. Willard H. Robinson, Blackburn College.

Report of committee on the Minutes of Synod—The Rev. George C. Alexander.

Report of Standing Committees: Executive Commission—The Rev. Edward Gibson; Educational—The Rev. Albert S. Leonard, Ph. D.; Religious Education—The Rev. Charles N. McManis; Ministerial Relief—The Rev. W. Bertram, Shirey.

Tuesday, 2 P. M.

Election of the Commissioners to the General Assembly.

Report of the Church Extension Committee.

Church Election.

Sabbath Schools—The Rev. Charles N. McManis.

Home Missions—(One hour and a half).

Treasurer—Mr. Joseph Hamill.

Chairman—The Rev. Charles A. Highfield, The Rev. Joseph Kardos, The Rev. T. S. Baganoff.

Report of the Foreign Missions Committee—The Rev. Harry M. Thomas, M. D.

Address—The Rev. William J. Johnson, of the Board of Temperance, Chicago.

Tuesday, 7:30 P. M.

Devotional Service—The Rev. Harry M. Thomas, M. D., presiding.

Address on Foreign Missions—Judge Selden P. Spencer, St. Louis, or Mr. George B. Cummings of the Mercantile Trust Co., St. Louis.

Adjournment.

DARROW SEEKS STAY OF PEPPER'S SENTENCE

SPRINGFIELD, Ill., April 10.—Clarence Darrow of Chicago, for the Austrian consul in Cook county, appeared before the pardon board today and asked that the board recede from its decision to grant a stay of sentence in the case of Andrew Pepper, of Chicago, convicted of murder and condemned to hang April 17. Governor Lowden has already granted one stay.

Mr. Darrow was accompanied by Judge Haas of Chicago who was interested in the defense of Pepper before his election to the bench. The stay is asked in order that a more complete history of the trial of Pepper can be laid before the pardon board.

AUSTRIAN WAR MINISTER RESIGNS

Amsterdam, April 10.—via London.—The Vienna evening papers announce that Emperor Charles of Austria-Hungary has accepted the resignation of General Ritter Von Krobatin, Austro-Hungarian war minister.

BRAND MEN WHO MARRY TO AVOID SERVICE COWARDS

New York, April 10.—Young men who marry to avoid military service were today branded as cowards and "slackers" by City Clerk Scully, who as head of the marriage license bureau has become indignant at the unprecedented rush of applicants for licenses, seeking, as he has become convinced, to put themselves beyond the pale of conscription.

MRS. RICHARD NORTRUP SURPRISED ON BIRTHDAY

Party at Bluffs Monday Planned by Daughter—Miss Louise Moore Entertains at Cards—Bluffs News Notes.

Bluffs, April 10.—Mrs. Richard Nortrup was given a surprise birthday party at Bluffs Monday afternoon in honor of her birthday. The surprise was arranged by her daughter, Miss Emma Nortrup and was a complete success, twenty-five of her friends were present and dainty refreshments were served. The out of town guests were Misses Margaret and Clara Brockhouse and Mrs. Wm. Hufker, Chapin; Mr. and Mrs. Elmer Brockhouse and children of Concord.

Bessie Atwood and children of Mayville visited relatives in town Tuesday.

A party was given at the home of Harmon Magelty was of Bluffs last Friday evening in commemoration of his 55th birth anniversary and his son, Henry's 21st birthday.

The Andre & Andre store building was slightly damaged in several places by the earthquake shock which was felt here at 3 o'clock Monday afternoon.

Miss Louise Moore entertained sixteen of her friends at a card party Monday evening. A very pleasant evening was passed by those present. Fred Lindsay, who had the index and middle fingers of his right hand cut off Friday evening, is getting along nicely. The accident was caused in attempting to adjust an electric force pump.

John Burrus of Petersburg is a business visitor here this week.

A few relatives of Mrs. Anna Griggs gathered at her home Sunday to spend the day. The out of town guests were: Mr. and Mrs. Oda Owens, Mr. and Mrs. Henry Owens and family, Chapin. The gathering was to celebrate the birthday of Mrs. Griggs and granddaughter, Violet Loraine, daughter of Mr. and Mrs. Oda Owens.

Masquerade party tonight, 7:30, David Prince gymnasium. Adm. 10c. All are welcome.

CIRCULATION OF BOOKS BREAKS LIBRARY RECORD

Report of Librarian at April Board Meeting Shows Seven Thousand Volumes Loaned—Journal Files Installed.

The circulation of books during the month of March at the Jacksonville public library exceeded the 7,000 mark and thus surpassed all previous records, according to the report of Miss Lydia M. Barrette, the librarian, at the April board meeting Tuesday afternoon. March is always a busy month at the library but this year was ahead of all others.

The opening of the reading room from 2 to 5 o'clock each Sunday afternoon was mentioned with favor as this practice seems to meet a considerable public demand.

Announcement was made that the owner files of the Journal had been placed in the library for safe keeping and for public reference. An old copy of the "Illinois Patriot" has been enclosed in glass and placed in the historical collection at the library.

ELECT SHACKLETON TO HONORARY FELLOWSHIP

New York, April 10.—Sir Ernest Shackleton, the Antarctic explorer it was announced today, has been elected to the honorary fellowship of the American museum of natural history, the highest scientific honor that the institution has to bestow.

ADOPT PROHIBITION RESOLUTION.

Tallahassee, Fla., April 10.—Both houses of the Florida legislature today adopted resolution for submission in 1918 of a statewide prohibition amendment.

FOREIGN MISSIONS THEME
OF INTERESTING ADDRESSAudience at Westminster Church
Last Night Heard About Work in
Mexico and Siam — Convention
Program Will Continue Thru To-
day

The cause of home and foreign missions received a decided impulse yesterday when the delegates gathered in the 24th annual meeting of the Woman's Presbyterian societies of home and foreign missions in Westminster church. The absence of Mrs. Carriel who was down on the morning program was much regretted but it was unavoidable. The program as already outlined was carried out.

The paper of Mrs. H. E. Stice of Virginia was read in the morning by the lady's mother as Mrs. Stice could not be present. There were good audiences at both morning and afternoon sessions and of course the largest in the evening.

In the evening Rev. E. B. Landis presided and the exercises were deeply impressive and beneficial. The solo by Miss Ainslee Moore was much enjoyed.

Mexico Needs Aid

The first speaker was Mrs. J. T. Tracy whose theme was "Our Mexican" and she made an earnest plea for the people who have been so downtrodden and cursed by the war. Many in Mexico are ready for the true gospel if we will only send it to them and it will be our duty and highest privilege to do so. It will be far more valuable than bayonets. A crisis exists; the door is better open now than for forty years past and the grand opportunity should be embraced promptly.

Mr. Landis said when he was pastor of a church in Kentucky he had a gifted member, a young lady, whose forte was the violin and who drew from it the sweetest strains. She felt the call to go abroad and carry the blessed message and she took her violin and it was a great means of grace as he had the pleasure of presenting Miss Edith Buck of Lakon, missionary to Siam. A short outline of her excellent address is given.

The Work in Siam

"The Presbyterian church is solely responsible for the work in Siam and an effort is to be made to secure funds for the better prosecution of the work. There are some eight million souls there and but few missionaries. There are about 80,000 people. Even some of the priests attend the mission schools to get English as these schools are better than the government schools. The language much resembles the Chinese and persons who understand Siamese can get along in China fairly well. The people are comparatively free and women have a far better position there than in almost any other oriental land.

"The king is a graduate of Oxford university, intelligent and progressive and friend to missions having taken part in laying a corner stone of a mission college. Buddhism and demon worship abound and the demon fear is a dreadful handicap to the people as they look for such a being in every accident and happening of their lives. They let a person drown because the river demon wants him. Their medical treatment is frightful. Sick persons are sometimes beaten to drive out the disease and scars are left on them.

At the close of the address Miss Buck showed a large collection of very interesting articles from that far away land.

The program today will be as previously published.

ALBERTO SALAI, HARPISST
Helen Brown Read, dramatic soprano, Congregational church, April 30th.

WORK BEGUN FOR Y. M. C. A. EXPENSE FUND

Results of Canvass to Date Will Be
Announced At Luncheon Today At Noon.

Some good work was done Tuesday for the financial campaign fund by workers of the Y. M. C. A. May or H. J. Rodgers, president of the association, and J. J. Reeve, chairman of the special fund committee, were absent from the city, and there were a few of the canvassers who did not put in the entire day, a sum of \$251 was reported at a luncheon held in the association social room at noon. The work of Tuesday afternoon and of this morning will be reported at a second luncheon to be held at the Y. M. C. A. building at 12 o'clock.

At the luncheon Tuesday the Rev. W. E. Spooner presided and both he and C. B. Graff, a division chairman, made brief talks, and reports were made by the captains of the teams. At the luncheon today the workers will be grouped according to the teams of which each is a member, and judging from the progress reported by individual canvassers Tuesday afternoon, the aggregate report today will be a good one.

The regular supper of the boys' Bible class, held each Wednesday evening, has been postponed on account of the masquerade party at the high school. These Bible classes have been a noteworthy part of association activities and the interest called forth in biblical study has been considerable.

AGREEMENT REACHED
ABOUT MONUMENTConference Held Tuesday When
This Form of Memorial Was
Agreed Upon—Resolution Providing
Central Park as Site Is Ex-
pected Action

What at first bade fair to be a subject of somewhat acrimonious debate came near terminating in a love feast at the combined gathering of representatives of city council, county board and soldiers' monument association yesterday morning. Much of the difference grew out of a misunderstanding for which no one was to blame.

When the project of a monument to the memory of the country's defenders was first launched it was generally taken for granted, among the chief promoters that the affair would be a monument in the middle of central park. Acting on that supposition the association went to work not thinking of the need and propriety of consulting the city council especially as the matter of authority in that respect is somewhat in doubt at best.

Veterans Before Council Board

Later on several saw a possible opportunity to get a much needed rest room instead of a monument and had much to say to the city council, the county board and some of the monument association. It was well nigh the unanimous wish of the veterans to have a monument in the center of the park and to that end they went before the county board and secured the unanimous consent of that body to place a monument in the center of the park and when they were advised to go to the city council who probably might have more authority than the county board and that was done thru the president and secretary of the association.

So many diverse suggestions had been made to the council and the rest room so strongly urged that when the request for a monument in the center of the park was presented the city council hardly felt like granting the request and said so much to the chagrin of the veterans and those who agreed with them. Some suggested a memorial building if a rest room was obnoxious; some suggested a monument in Duncan park or just west of the intersection of West State Street and Webster avenue. At last a conference of the city council, the county board and the monument association was requested and it was held in the county court room yesterday morning with all present except Mayor Rodgers who was obliged to be out of the city.

Conference Organized

The meeting was called to order by Mayor McDougall who nominated David Wilson, county commissioner, chairman and he was unanimously chosen and Dr. C. H. Rammelkamp secretary. Representatives of each of the three bodies were asked to speak first. For the veterans Major McDougall said that as there seemed to have been some misunderstanding the present meeting had been called in order to agree on what was the best and wisest course to pursue. It certainly was time something was being done as the monument association was now a year old. The county had voted the money and the association had no idea of any opposition to a monument in the square. Several architects and contractors were ready to submit plans and specifications as soon as we knew what we want and where it will be placed.

Mr. Wilson, on behalf of the county board said they had given what authority they had to the committee to use the Central park. A number of committees had been before them asking for different things but it was his opinion that the veterans should be the ones mainly consulted in the matter. It was not the intention to put up anything to be ashamed of and he was sure the veterans would be willing to make some concessions too. He thought the veterans wanted a monument in the center of the park. Commissioner Roeger thought the veterans should have the preference in the choice of place and shape of memorial.

Vote Is Suggested

Commissioner Widmayer said if the veterans want a monument it was favorable. He had thought it might be well to let the people vote on a preference at the school election.

Commissioner Martin favored pleasing the old soldiers the he was hardly favorable to a monument in the center of the park. He feared future residents of the city might want something else in the park and would censure the present officials for placing the monument there now.

Commissioners Vasconcellos and Cox also spoke and as the meeting progressed an air of get together became more and more apparent. The monument somewhere was fully decided on. The city council talked so fairly that the old soldiers didn't want to be outdone and said they would accept any corner of the square if the center was denied.

Dr. Rammelkamp, W. D. McCormick and some others thought the monument would hardly look well anywhere but the center and as it was to be a thing of beauty and ornament Mr. McCormick said it should be visible to persons approaching on either State street or Main. Prof. Raybitt and several others said they had seen a good many cities and in nearly every one such monuments were in the center of population and not at one side.

The members of the city council showed a kind and conciliatory spirit and expressed the opinion that the veterans certainly should have a large part in any decision. Major McDougall felt if action were taken promptly the monument might be completed in time for dedication next year.

A resolution requesting the city council to act at its earliest convenience and cordially thanking

that body and the county commissioners for the manner in which they had acted was adopted heartily and no doubt the location of the monument will soon be decided.

We now have on display in our show window a special lot of late models in ladies suits, your choice

\$16.50
When down town look them over.
F. J. WADDELL & CO.

CONDEMNNS CONSCRIPTION.
Pittsburgh, Kans., April 10.—Asserting that Kansas would furnish fifty thousand volunteers upon the president's call for soldiers, Governor Arthur Calaper, in an address here today condemned conscription and declared that young Kansas had been led to believe that to be drafted for service was to be disgraced. The governor spoke before a plate conference, the Woodmen of the World.

HOLD LOYALTY PARADE

Clinton, Ia., April 10.—A great loyalty parade in which every organization and nationality in the city was represented, was held here today. Stores, factories, offices and schools were closed. A patriotic mass meeting followed the parade.

AUTO NOTES

Luther Crawford of Pisgah drove to the city yesterday in his Ford car. James McCormick of Woodson precinct came to the city yesterday in his Overland car.

Mr. and Mrs. Albert Rolfe of Winchester made a trip to the city yesterday in their Ford car.

John Cox of Winchester journeyed to the city yesterday in his Ford car. Wm. Dill came up to the city yesterday from Winchester in his Ford car.

Mr. and Mrs. S. L. Bell of Beards-town made a trip to the city yesterday in their Dodge car bringing Mrs. Albert Thompson, Mrs. Galen Morton and Mrs. W. H. Hardstock.

G. A. Leach of the Mound neighborhood drove to the city yesterday in his Ross 8 car.

Earl Baptist of the northwest part of the county traveled to the city yesterday in his Ford car.

Robert Coates of the region of Lyanville came to the city yesterday in his Hudson 6 car.

J. A. Zellar of Alexander was a city arrival yesterday coming in his Mitchell car.

Homer Cully of Strawn's Crossing reached the town yesterday in his Dodge car.

C. E. Poteish of Litterberry came down to town yesterday in his International car.

Earl Bridgman of Joy Prairie was an arrival in the city yesterday in his Maxwell car.

A rather unusual car, the Elgin, was seen on the square yesterday.

Mr. and Mrs. W. E. Douglas of Franklin came to the city yesterday in their Studebaker car.

Louis Boston of New Berlin made a trip to the city yesterday in his Dodge car.

Harold Simpson of Prentice rode to the city yesterday in his Buick car.

J. H. Anderson of Arenzville traveled to the city yesterday in his Rambler car.

Arthur Zachary of the east part of the county journeyed to the city yesterday in his Overland car.

J. F. Claus received a car load of Overlands yesterday.

Charles McDonald of Litterberry rode down to the city yesterday in his Chalmers-Detroit car.

Buy a Kiondike or Banner incubator and get into the chicken business right. Brady Bros.

CONCERT AT FRANKLIN
Miss Minnie Hoffman, instructor in violin at Illinois conservatory, was in Franklin Tuesday evening, where she gave a well attended concert at Franklin M. B. church.

CHANGE CASE NAME

It was announced Tuesday by J. K. Marunga and Vincent Riley, proprietors of the Bismarck cafe, that the name had been changed to the Atlantic. This was done from patriotic motives as in view of the present relations between the U. S. and Germany the proprietors thought that some citizens might object to the name. A like policy has been followed in Chicago, where the New Kaiserhof hotel and various restaurants with German names announced that these had been changed.

As previously mentioned, Mr. Marunga, altho he spent a number of years in Germany, is a native of Switzerland and his parents live there. Mr. Riley, who is the son of English parents, has always been a resident of this county.

Willard Young of Litterberry was among the arrivals in the city yesterday.

A TEXAS WONDER

The Texas Wonder cures kidney and bladder troubles, dissolves gravel, cures diabetes, weak and lame back, rheumatism and irregularities of the kidneys and bladder in both men and women. Regulates bladder trouble in children. If not sold by your druggist, will be sent by mail on receipt of \$1.00. One small bottle is two months' treatment and seldom fails to perform a cure. **A
DENTISTS
FORMULA**

**True Secret of Keeping
Youthful Looking**

(The Beauty Feeler)
"The real secret of keeping young-looking and beautiful," says a well-known hygienist, is to keep the liver and bowels normally active. Without these requisites, poisonous waste products remain in the system, polluting the blood and leading in various organs, tissues, joints. One becomes flabby, obese, nervous, mentally sluggish, dull-eyed, wrinkled and sallow of face.

"But to get liver and bowels working as they ought, without producing evil after-effects has been the problem. Fortunately, there is a prescription of unquestioned merit, which may now be had in convenient tablet form. Its value is due largely to an ingredient derived from the humble May apple, or its root, which has been called 'vegetable calomel' because of its effectiveness—though, of course, it is not to be classed with the real calomel of material origin. There is no habit-forming constituent in 'senreco' tablets—that's the name—and their use is not followed by weakness or exhaustion. On the contrary, these harmless vegetable tablets tend to impart tone and elasticity to the relaxed intestinal wall. Senreco tablets may be procured from any druggist—a dime's worth will do—will prove a revelation to any constipated, liver-troubled person."

Senreco Tablets
conquer constipation—
liven up a lazy liver—
banish biliousness—
100 and 250¢ at druggists

The Duplex ALCAZAR Provides Comfort, Convenience and Economy

It Does More—It Saves Time

—ALL THE YEAR 'ROUND

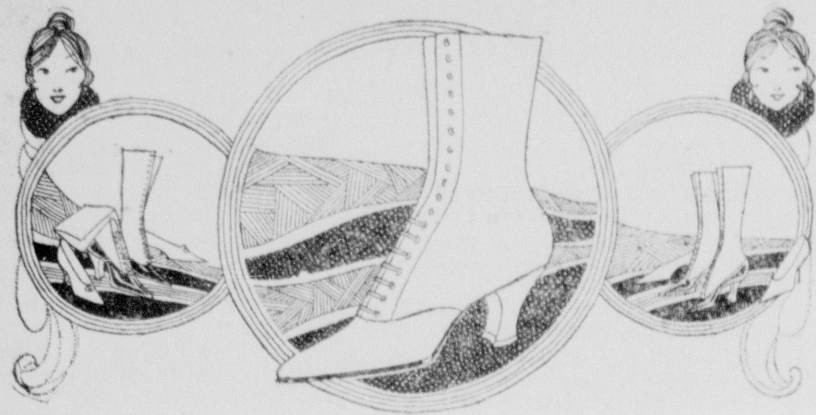

A single Coal and Wood Range is wasteful except for winter use. A simple Gas Range is wasteful except for summer use. To combine the two is ideal, and meets the demand of the Twentieth Century Home for "Comfort", "Convenience", "Economy"—All the year 'round. The Duplex Alcazar is a single range, only 43 inches long, in which Gas and Coal or Wood can be used at the same time, or separately, just as desired. It is just the range for your home.

There is nothing to lift out or interchange. Simply "pull or push a lever" at lower right hand side of range and oven is ready for use for either fuel. It is as easy as turning on or off the water faucet in a kitchen sink. It is a range that is complete in itself and provides real "Convenience". It is not a makeshift with dirty parts to pull out and leave standing around the kitchen. Such ranges are nuisances, and add worry to the troubles of neat housekeepers and the practical housekeeper will not put up with it. She does not want to be a mechanic. Her aim is to lighten not to complicate her kitchen work. She is seeking the happiness of her home and to that end the Duplex Alcazar is in a class of its own. It constantly grows in favor, as the Twentieth Century Housewife comes to know the necessity of reserving her strength through "Comfort" and "Convenience" and the wisdom of practical "Economy."

CALL AND SEE THIS RANGE—IT WILL PAY YOU

WARREN NIXON IS AS- SIGNED TO WAINWRIGHT

Is Second in Command on Destroyer
and Will Engage in Active Service.

Mention was made recently of the fact that Warren C. Nixon had again entered the service of the navy. The St. Louis Globe yesterday gave further facts as follows:

Warren C. Nixon until four days ago secretary of the Western Tie and Timber Company, is now second in command of the torpedo destroyer Wainwright, of the United States navy. After a hurried call from the Navy Department last Thursday, he at once joined the Wainwright as lieutenant and, according to dispatches from the East, is now on patrol duty.

Lieut. Nixon was graduated from Annapolis with the class of 1907 but resigned four years ago to take a position with the lumber company. He always kept in touch with naval affairs, however, and when a crisis seemed imminent with Germany, notified his superiors that he was ready for service.

His call came last Thursday and his commission was awaiting him. He was assigned to the Wainwright, one of the larger destroyers of the navy. The boats are being used for patrol duty on the Atlantic Coast. They are on duty in all kinds of weather watching for submarines or commerce raiders, and also to serve as scout boats.

The Wainwright, to which he is assigned, is a destroyer of 1150 tons displacement, was laid down in 1914 and has been in commission a little over a year. Her speed on her trial trip was 29.50 knots per hour, or about thirty two miles per hour. It

has four torpedo tubes of 21 inches and four rapid fire guns of 4 inch bore.

SPECIAL SALE OF WOOL DRESS SKIRTS TODAY AT HERMAN'S.

AN OLD SETTLER HERE.
Madison C. Bates of Galesburg was in the city last night en route to Concord. Mr. Bates' father came to Jacksonville in 1830, he being a native of Tennessee. The elder Mr. Bates lived here a short time and then removed to the Concord neighborhood, where his son, M. C. Bates, was born.

On the way up from the station Tuesday evening Mr. Bates tried to persuade an old citizen that there was no Jacksonville to speak of, when his father came. But the old citizen insisted that Jacksonville dated from 1825. Nevertheless, the Tennessee Bates family arrived before the "deep snow" and M. C. Bates not long after.

Garden seed in bulk; the very best garden tools, garden plows—everything for making gardens, prices right, too, at Brady Bros.

RETURNS TO CITY.

Everett Waters has returned to Chicago after a visit with his mother, Mrs. T. C. Waters of this city. Mrs. Waters has been for some time on the Pacific coast but expects to reside in Jacksonville in the future.

Rev. A. W. Raabe of Hillsboro was in the city yesterday, the guest of his friend, J. W. Prince, and attending the missionary meeting at Westminster church.

BRIDGE COMPANY SHOP WORKERS ON STRIKE

Men Ask Shorter Hours and Ten Per Cent Wage Increase—Refusal Brings Walkout—Plan to Organize Union and Have Applied for Charter.

Employees of the Illinois Steel Bridge company went on a strike Tuesday morning shortly after 10 o'clock, and the shops are accordingly shut down. Monday a committee representing the workers interviewed H. A. Chapin, general superintendent, and made demand for a ten per cent increase in pay and a nine hour day.

Mr. Chapin according to a company statement was willing to concede the ten per cent increase in pay but declared that under existing circumstances the company could not agree to the reduction from 10 to 9 hours. The committee suggested that Mr. Chapin think the matter over until Tuesday and give final answer at that time.

When the committee called again Tuesday morning about 10 o'clock, Mr. Chapin informed them that he would take the same position that he had in the previous interview.

Strike Is Called

The spokesman for the committee then said that a strike order would be issued and a few minutes later the whistle blew and all of the sixty employees left their work. It is the statement of company officials that the wages and hours of employees are in line with those of their competitors, and that they cannot make further concessions without resulting injury in the competitive field.

Men Say No Increase Was Offered

The committee which represented the shop employees included Ora Campbell, W. A. Moore, Andrew Jones, Fred Runkle, Leo McCormick and M. V. Correa. A member of the committee stated last night that the Bridge Co officials made no offer of concession as to either wages or hours, and that the committee had nothing to report to the shop men other than that their demands had been refused. It is the claim of the men that the wages and hours of labor they are asking for are entirely consistent with rules governing employment in shops of this kind. They say that the wage schedule they propose is fair and that a 9 hour day is as long as they should be expected to work.

Organize Union

The employees of the Bridge Company at a meeting held Tuesday evening organized and applied for a charter in the International Association of Bridge and Iron Workers. The men expect to receive the charter soon. The union will have a membership of over sixty members and will be one of the largest in the city.

It is to be hoped that the company and the employees will be able to reach a common ground of understanding as the industry is now one of the most important in the city. A long shut down of the plant would be of distinct disadvantage and the large sum included in the weekly wages of the men would be lost to local trade.

CHANGE IN HOURS

Hereafter we will run thru the supper hour only on Saturday and the day after special feature pictures. Afternoon programs will begin at 1 o'clock and evening programs at 7. The theater will be closed during the supper hour except as indicated above.

Scott's Theatre.

MRS. PARKER AND DR. AMES SCHOOL BOARD CANDIDATES

Today will be the final one for the filing of petitions for candidates for member of the school board in the election to be held Saturday April 21. The petitions are on file for J. P. Lippincott as president, J. K. C. Pierson, Thomas Hopper and Mrs. Ollie Parker as members of the board. A petition for Dr. J. G. Ames was in circulation yesterday and will be filed today. Some days ago Mrs. Wallace Brockman, who has served on the board for the past year, decided not to be a candidate for reelection and it is for this reason that friends of Mrs. Parker and Dr. Ames have circulated petitions in their behalf.

TWO SUITS FOR DIVORCE
Fred L. Gregory, attorney, has filed suit for divorce for James W. Baughan vs Margaret Hoblett Baughan. The couple were married in Lincoln, Ill., Sept. 11, 1902. They have three children. Desertion is named as the cause.

Carl Branom, by his attorney, John M. Butler, has filed suit for divorce from his wife, Sarah A. Branom, alleging desertion. The couple were married July 17, 1910.

FREDA MUNZE FUNERAL WILL OCCUR THURSDAY

Services for Young Winchester Woman at Presbyterian Church—
News Notes and Personals.

Winchester, Ill., April 10.—Sorrow was brought to the hearts of many today when the news was spread abroad that death had come Monday night to Miss Freda Munze, whose illness had extended over a period of some six weeks.

The funeral services will occur Thursday afternoon at 2:30 o'clock at Winchester Presbyterian church. Rev. Mr. Rogers of Fancy Prairie, a former pastor, is expected to officiate.

Miss Munze, who was 22 years of age, was graduated in 1912 from Winchester high school and later attended the Normal school at Macomb. This year she has been a teacher near Macomb. Surviving are the father and mother, Mr. and Mrs. Chris Munze, two sisters, Misses Anna and Bertha Munze, and two brothers, Edward and Hermann Munze.

Union Easter Service.

The congregations of the Baptist and Presbyterian churches held a joint Easter service Sunday evening at Winchester Baptist church. A program, which included well rendered music of more than ordinary difficulty, was carried out as follows:

Organ prelude—Mrs. J. W. Eckman.
The Gloria.
Invocation—The Rev. W. F. Gibson, Irving, Ill.
Scripture—Rev. Mr. Johnson.
Hymn by the Congregation.
Pastoral prayer—The Rev. O. L. Pride.
Offertory, "Unfold the Portals," by Gounod.

"Story of the Trial, Crucifixion and Resurrection"—Rev. Mr. Johnson.

"Story of Calvary," by Schnecker—Choirs of the two churches with Mrs. Wallace Kinison, taking solo parts.

"Why Seek Ye the Living Among the Dead"—Choir, with Miss Louise Frost taking the solo parts.

Benediction—Rev. Mr. Gibson.
The music was prepared under the direction of Mrs. W. D. Gibbs.

Will Give Dance.

A number of Winchester young people are preparing to give a dance Thursday evening at the South Side hall. Music will be furnished by Powers' orchestra and an excellent time is anticipated.

Miss Sarah Gasen of Girard is here for a visit with Mr. and Mrs. R. R. Gasen.

Mrs. Herman Smith, who has been quite ill, is able to be about the house.

Myron Ellis has returned to White Hall after a short visit with Winchester friends.

The Rev. W. F. Gibson of Irving, Ill. has completed a short visit here and gone to Alton to attend a meeting of the presbytery.

At L. O. O. F. Meeting.

A number of Winchester Odd Fellows went to Lynnville Monday night where a special meeting of the Lynnville L. O. O. F. lodge was held.

A. L. McCauley, proprietor of the McCauley house, who for a number of weeks has been ill in Our Savior's hospital, Jacksonville, has sufficiently recovered to return.

Miss Burdick, a registered nurse is here from Jacksonville, to care for Mrs. Robert Woodall, who is ill.

Miss Vivian Brengle is home from Chicago, where she spent the winter studying piano.

George Wids of Absey was here on business Tuesday.

Jacksonville Chapter, No. 3, R. A. M., will hold a special convocation this evening at 7:30 o'clock for work. Visiting companions welcome.
E. C. Ransdell, E. H. P.
John R. Phillips, Secy.

QUEENS OF AVALON.

The Queens of Avalon held the regular April meeting Monday evening at the home of Miss Dorothy Smith, 223 Caldwell street. The society plans soon to take up Red Cross work and this matter was discussed at the business session. During a pleasant social hour refreshments were served.

THOS. TISSINGTON HAS REACHED GOOD OLD AGE

Venerable Murrayville Resident Is Eighty Years Old—Still Vigorous and in Good Health.

One of Murrayville's most honored citizens, the venerable Thomas Tissington, was in the city with his wife yesterday. Mr. Tissington is a sturdy son of Britain, born in Nottinghamshire, Jan. 29, 1836, the son of Robert and Fannie Tissington, tillers of the soil and honorable, upright people. At the age of twenty-two Mr. Tissington removed to this country and settled six miles west of Jacksonville on the Swales place, where he remained for five years and then for upwards of twenty years he was a tenant of Andrew Russell, manager of the Dr. Russell estate, near Murrayville.

By industry and good management Mr. Tissington acquired a considerable property of his own and today is the owner of four hundred acres of choice land in the southern part of this county, a part of which is the James Reaugh farm of 160 acres. Eleven years ago he was quite severely ill and decided to give up farming and remove to Murrayville, where he has since lived, enjoying the fruits of his honest labor and good management.

Mr. Tissington was first married in England to Mary Copley, Aug. 22, 1857, and the young couple removed to America to try their fortunes. The wife died Sept. 30, 1876, and for fifteen years Mr. Tissington trod the journey of life alone. But it was lonely indeed and Nov. 12, 1891, he and Mrs. David Sooy were married. Mr. Tissington's first wife had no living children but his second wife was the mother of three sturdy boys, E. R., E. P. and E. L. Sooy, and to them he was all that a father could be. All of them live in the vicinity of Murrayville and are some of the county's best citizens.

Mr. Tissington is a member of Mt. Zion Methodist church on Greasy Prairie and attends the church of that denomination in Murrayville.

For some years after coming to this country he was not fully decided whether he would remain here or not, but many years ago took out his naturalization papers and since that time has been an ardent Republican and is a great admirer of Theodore Roosevelt and has all confidence in that gentleman's ability to handle almost any difficult question. He and his excellent wife are still in good health altho so well along in the journey of life and they bid fair to remain for some years a blessing to children and grandchildren and to the community in which they live. Their home life is serene and harmonious and love prevails at all times.

NOTICE

All those knowing themselves to be indebted to me for professional services will please call and settle or remit the amount at once, as I am endeavoring to close all of my outstanding accounts preparatory to leaving Jacksonville permanently in the near future.

J. Edgar Martin,
Commissioners.

LITERBERRY BAPTIST LADIES' AID MEETS

Has Interesting Session at Home of Mrs. C. A. Beavers—Easter Social Proves Success—Other Literary Items.

Literberry, Illinois, April 10.—The Ladies of the Baptist Aid met Thursday afternoon at "The Zephyrs" with Mrs. C. A. Beavers. Scripture reading was from the 28th chapter of Matthew, and was of the Resurrection of Jesus by Mrs. Underbrink. Song, "I want to live closer to Jesus," Prayer by Mrs. J. A. Litter and Mrs. Earl Rexroat. Business was of the Easter Social. Mrs. O. H. Berry sang "Face to Face" accompanied on the piano by Mrs. Durrell Crum. Reading, "The Old Sitting Room," by Mrs. Rexroat. A very pretty piano duet was rendered by the Crum sisters.

The hostess served refreshments of the very best, the last delicacy being one especially prepared, which is properly called, "Food for the Gods". The waiters were all pretty girls and very attentive to the wants of the guests. Every body had a splendid time. Miss Mildred Underbrink passed the dime dish and it was filled.

The next meeting will be with Mrs. Charles Ratcliff.

Mr. and Mrs. Charles Litter entertained at a 12 o'clock dinner on Sunday, the following persons, Mr. and Mrs. Jesse Litter, Mr. and Mrs. S. H. Crum, Mr. and Mrs. J. A. Litter and Rev. Crabtree.

The Easter Social at the Baptist church on Saturday night was a success. There was plenty to eat and a pleasant evening for all. Our reporter brings news of an accident at Spring Grove Farm, saying that Jesse Petefish has a broken arm, on account of coming in too close contact with a crank on a Ford machine.

Mrs. Berry of "The Ivies" is spending the week at Hardin, with home folks.

The Misses Ellen Scribner and Amanda Hixon are having the measles.

One of Bob McFarland's girls came out to Literberry Saturday to visit her grandma, and on Sunday took the measles, and is not able to return to her home in Jacksonville.

The Rev. P. M. Crabtree preached Sunday morning at the Baptist church from the second chapter of Matthew, "The Lost Master". Rev. Crabtree said "Joseph and Mary lost their son, and when they sought for him, found him about his father's business. We sometimes lose the Master, sometimes go where the Master cannot go; then we lose him. When we realize that we have lost our Master, and then turn about and seek him, we always find him, just where we left him."

In the evening the sermon was of Patriotism and Loyalty to Our Country. Subject, "The East Wind, Hosea 13-15. The reverend gentleman said: "Every American Citizen must be loyal to the Stars and Stripes, true to the government that protects him, always ready to obey the call of our country."

Athens Camp 4980 R. N. A., will give dance and euchre party, Woodman hall tonight. Admission 25 cents.

MURRAYVILLE R. R. 1

Miss Stella Worran visited from Tuesday until Saturday with Mr. and Mrs. Cal Hart of Greasy Prairie.

Mrs. Lydia White spent Sunday afternoon with Mrs. Clyde Fanning. Miss Mabel Richard went to Osman, Ill., Friday to spend Easter with her sister, Miss Stella Richard.

Miss Maye Koy closed her term of school at Oak Hill last Thursday. Miss Virginia Entriiken closed school at Brush college Friday with an excellent program.

Misses Catharine, Margaret and Nellie Hagan spent the week end with their parents, Mr. and Mrs. Joe Hagan.

Thos. Doyle and Walter Lawson were recent visitors in Jacksonville.

Mrs. Adrah Koyne was a visitor in Jacksonville Thursday.

Mr. and Mrs. Alfred Harney and children of Jacksonville spent Saturday night and Sunday with Mrs. Harney's parents Geo. Lawson and wife.

Mrs. Agnes Doyle of Jacksonville spent Wednesday with Mrs. Thos. Doyle.

Mrs. Chas. Koyne and Mrs. Pete McCabe went to Alton last Wednesday and returned with a boy aged 12 and 8 years respectively, with the purpose of adopting if satisfactory.

Mrs. Wm. White entertained nine little boys Tuesday afternoon in honor of her son Lloyd's ninth birthday. Excellent refreshments were served the small guests and the afternoon was one of pleasure.

ALBERTO SALVI, HARPIST

Helen Brown Read, dramatic soprano, Congregational church, April 30th.

SUFFERER BROKEN LIMB.

Harold Zachary, living a few miles west of the city, had the misfortune to suffer a broken leg Monday evening. He was riding a horse which slipped and fell, with the above result. The injured man was brought to Our Savior's hospital in this city, where he received attention. He is getting along as well as can be expected but will be a cripple for some time.

HORSE AND WAGON TAKEN

The horse and delivery wagon of Anderson Banks were taken from his barn, 223 South Main street Monday evening. Mr. Banks had finished work Monday and put the horse in the barn. When he went out later both horse and wagon had disappeared. The matter was reported to the police but as yet no trace has been discovered. The value placed on the outfit by Mr. Banks is \$125.

H. A. Staley of Decatur made a business trip to the city Tuesday.

Real clothes economy and where to find it.

Copyright Hart Shaffner & Marx

SOME men think economy in clothes buying is to find a cheap sounding price. Foolish! They know better if they stop to think about it a minute. Your price for a suit is low or high according to what it gets, not according to what it sounds.

Hart Shaffner & Marx Clothes

are low priced considering what you get. You're smart enough to see that; it's one of the fundamental facts of business that quality is the test of price.

MAJOR LEAGUE BASEBALL SEASON OPENS TODAY

CLUBS OF BOTH ORGANIZATIONS STRONGER.

At Least Six Teams in Each Circuit are Considered Real Contenders—Executives Believe Baseball Faces Fairly Prosperous Season.

WHERE THEY PLAY TODAY.

National League. New York at Boston. Philadelphia at Brooklyn. Pittsburgh at Chicago. St. Louis at Cincinnati. American League. Chicago at St. Louis. Cleveland at Detroit. Washington at Philadelphia. Boston at New York.

1917 TEAM MANAGERS.

National League. Brooklyn: Wilbur Robinson. Philadelphia: Pat Moran. Boston: George Stallings. New York: John McGraw. Chicago: Fred Mitchell. St. Louis: Miller Huggins. Pittsburgh: James Callahan. Cincinnati: Christy Mathewson. American League. Boston: Jack Barry. Chicago: Clarence Rowland. Detroit: Hugh Jennings. St. Louis: Fielder Jones. New York: Bill Donovan. Cleveland: Lee Fohl. Washington: Clark Griffith. Philadelphia: Connie Mack.

New York, April 10.—Peculiarly by a forecast of generally fair weather but low temperature, the major league baseball season will be formally opened tomorrow in seven of the sixteen cities composing the National and American League circuits. In the National League, Pittsburgh will play at Chicago, St. Louis at Cincinnati and Philadelphia at Brooklyn. The opening game at Boston, with New York has been declared off because the grounds are covered with snow. On the American circuit Chicago will open at St. Louis, Cleveland at Detroit, Washington at Philadelphia and Boston at New York.

For the first time in the history of either of these baseball organizations the pennant races will be inaugurated while the nation is in a state of war. But once in the forty one years of the senior league's existence has war been proclaimed and in the case of the Spanish-American conflict the declaration was made

six days after the beginning of the season. Since the formation of the American League in 1900, the junior organization has never been confronted with conditions such as prevail today.

The league executives and club owners in a general way believe that baseball is facing a fairly prosperous season but expect the receipts and attendance to fall below estimates made before the developments of the past few weeks.

Unusually close races are expected in both leagues. The clubs of both organizations have been strengthened to a point where at least six teams in each circuit are considered real pennant contenders.

TEARNEY ANSWERS PROTEST. Chicago, April 10.—In answer to a protest from Harry E. Jarrett, owner of the Alton club of the Three I League, President Tearney announced tonight that the league was without authority to turn over to Alton the players under contract to the defunct Davenport club. Alton was awarded the Davenport franchise. The players Tearney said, became free agents March 1.

TO CONTINUE ATHLETICS. Philadelphia, April 10.—The board of directors of the Athletic association of the University of Pennsylvania decided today to continue athletics with every athlete under military suppression of Major William Kelly, U. S. A. Pennsylvania is the only large eastern university to adopt this course during the international crisis.

CLEVELAND DEFEATS TOLEDO. Toledo, O., April 10.—The Cleveland Americans defeated the local American association club 13 to 9 in an exhibition game here today.

TO GIVE BALL PLAYERS MILITARY TRAINING. Chicago, April 10.—Military training for ball players is to be adopted immediately thruout the American association. President Hickey announced here tonight. Heretofore only Milwaukee and Minneapolis have pursued the policy.

ROOTERS DEFEAT STARS. The Rooters defeated the Stars at baseball at the State hospital field Tuesday afternoon by a score of 2 to 1. The batteries were, Rooters, Zell and R. Zell. Stars, Williams and Brennan.

MILLIKIN DEFEATS WESLEYAN. Bloomington, Ill., April 10.—Wesleyan 1; Millikin 10.

GENERAL BALDWIN DONS

EPAULETS AGAIN. Denver, Colo., April 10.—Believing that the present crisis calls for a man of practical experience to take charge of military affairs in Colorado, Governor Gunter has named Brig. Gen. Frank D. Baldwin, U. S. A., retired, to be adjutant-general of Colorado. Gen. Baldwin is one of the most distinguished veterans of the United States army. He is now in his seventy-fifth year and has made his home in Denver since 1906, when he was placed on the retired list of the army after forty-five years of brilliant and honorable service. He began his military career in the Civil war as a lieutenant of a regiment of Michigan horse guards. He received a medal of honor for distinguished bravery in the battle of Peach Tree Creek. He was brevetted a captain in 1890 for gallantry in action against Indians in Texas, and a major for gallantry and successful attack on Sitting Bull's camp of Indians in Montana. Subsequently he distinguished himself in the Spanish war and in the war with the Moros in the Philippines.

SILVER JUBILEE OF

AN ARCHBISHOP. Milwaukee, Wis., April 10.—In the presence of one of the largest and most notable congregations ever assembled in St. John's Cathedral, the spiscopal jubilee of the Most Rev. Sebastian Messmer, archbishop of Milwaukee, was celebrated this morning with a pontifical high mass of thanksgiving. The occasion marked the twenty-fifth anniversary of the elevation of Archbishop Messmer to the bishopric of Green Bay. The pontifical mass was celebrated by Archbishop Messmer himself. Representatives of the clergy and laity from all parts of the archdiocese were in attendance.

EAT BIG MEALS! NO SOUR, ACID STOMACH INDIGESTION OR GAS

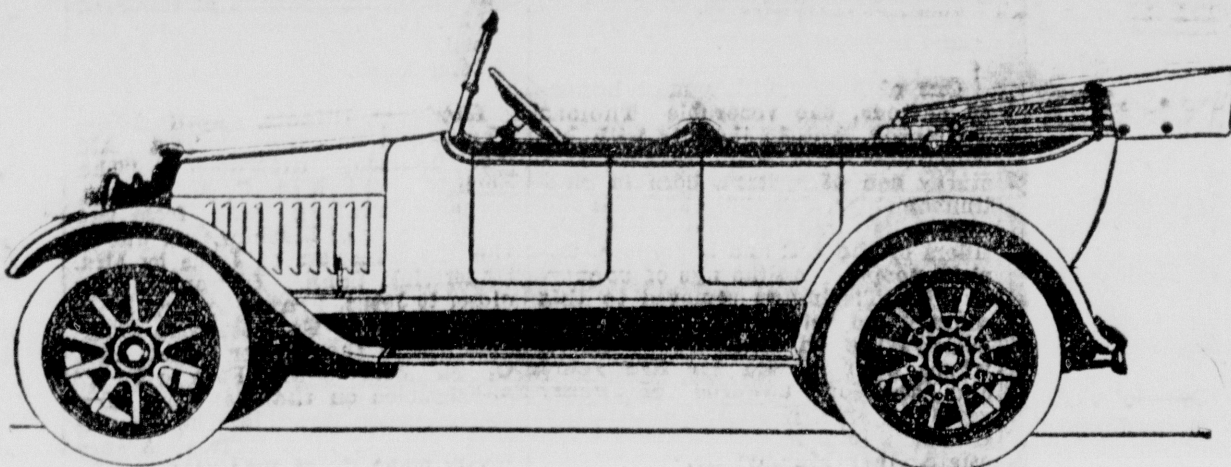

"Pape's Diapiesin" is Quickest, Surest Stomach Relief Known—Try It.

Time it! Pape's Diapiesin will sweeten a sour, gassy or out-of-order stomach within five minutes. If your meals don't fit comfortably, or what you eat lies like a lump of lead in your stomach, or if you have heart-burn, that is usually a sign of acidity of the stomach.

Get from your pharmacist a fifty-cent case of Pape's Diapiesin and take a dose just as soon as you can. There will be no sour risings, no belching of undigested food mixed with acid, no stomach gas or heart-burn, fullness or heavy feeling in the stomach, nausea, debilitating headaches or dizziness. This will all go and, besides, there will be no sour food left over in the stomach to poison your breath with nauseous odors.

Pape's Diapiesin helps to neutralize the excessive acid in the stomach which is causing the food fermentation and preventing proper digestion.

Relief in five minutes is waiting for you at any drug store. These large fifty-cent cases contain enough "Pape's Diapiesin" to usually keep the entire family free from stomach acidity and its symptoms of indigestion, dyspepsia, sourness, gases, heartburn, and headache, for many months. It belongs in your home.—Adv.

Chalmers 7-Passenger Touring Car—Price \$1350 Detroit

Chalmers Sets New Mark In Flexibility and Economy

Speed is a matter of state and city laws—not of motors. Why, then, pay for racing or semi-racing machines which fret and fume at legal limits? Why is not the car of wide flexibility and moderate top speed the sensible car to buy? In Chicago, during the 24 hours from noon March 26 to noon March 27 a Chalmers 7-passenger stock touring car set a new mark for flexibility and economy. It traversed the dense "loop" traffic of Chicago, using high gear only, without stop of motor, attained a total of 586.8 miles and reeled off 14 miles to every gallon of gas. The Contest Board of the A. A. A. certifies to these facts.

Here is a car capable of highest sane speed. That operated perfectly on high gear even from a standing start at a traffic officer's signal. That ran like a watch for 24 hours and could have run an indefinitely longer time. That made the startlingly economical figure of 14 miles to the gallon of gas. That was in

as perfect condition at the end of this grind as at the beginning. Had there been hills to climb it would have shown equal capacity there. And this car can be bought for a price several hundred dollars less than others that have shown no such flexibility or city economy.

Would you care for such a car? You can have its twin brother. You are invited to call and ride in the car.

Touring Car, 7 passenger . \$1350 Touring Sedan, 7-passenger . \$1850 Limousine, 7-passenger . \$2550
Touring Car, 5-passenger . 1250 Roadster, 3-passenger . 1250 Town Car, 7-passenger . 2550
(All prices f. o. b. Detroit. Prices subject to change without notice)

REBUKES PRISONER FOR ASKING PAROLE TO ENLIST

CARROLLTON, Mo., April 10.—A severe rebuke for his request to be paroled in order that he might enlist in the army was given Bernard Amburn today by District Judge Frank Divilbiss.

Pointing to a flag in the court room the judge said: "This a convict you attempt to wrap that flag about you and defy the world to do you harm. Its spotless folds must not be contaminated with the touch of felon hands even upon the field of battle."

Amburn, who was convicted of burglary, is 21 and said at his trial he formerly lived in Burlington, Iowa.

Garden seed in bulk; the very best garden tools, garden plows—everything for making gardens, prices right, too, at Brady Bros.

WOMEN ENDORSE PRESIDENT'S STAND

NEW ORLEANS, La., April 10.—The biennial council meeting of the General Federation of Woman's clubs, adopted resolutions today, endorsing President Wilson's stand on the German situation and pledging to the government the assistance of every club woman of the nation. Pleas for women to aid the government were made by Mrs. Joshua Evans Coles of Los Angeles, president of the federation and Mrs. Percy V. Pennypacker, of Texas, former president.

MASSACHUSETTS G. A. R.

Boston, Mass., April 10.—Too old for active participation in the present conflict but filled with the same spirit of patriotism that prompted them to fight for the flag in the '60s, the Grand Army veterans of Massachusetts rounded up in Boston today for their annual state encampment. Commander Francis E. Mole of Adams called the gathering to order and delivered his annual address. Simultaneously the Woman's Relief Corps and other affiliated organizations met in annual convention.

NOTED ATHLETE WEDS.

Chicago, Ill., April 10.—John Paul Jones, formerly famous as a runner for Cornell University, was married today to Miss Mary Belle Robinson, daughter of Mr. and Mrs. Lewis Arms Robinson of Evanston. The ceremony took place in St. Mark's church, Evanston, and was followed by a reception at the home of the bride's parents. The couple will reside in Washington, D. C., where Mr. Jones is engaged in the profession of mechanical engineering.

MEETING OF COLLEGE WOMEN

Washington, D. C., April 10.—The alumnae organizations of practically all of the women's colleges of the country are represented at the annual convention of the Association of Collegiate Alumnae, which began its business sessions in this city today. In addition to the delegates from the various chapters the attendance includes the presidents and deans of the leading women's colleges of the country, woman trustees and woman professors. An elaborate program of entertainment has been provided for the visitors.

R. H. Kratz of Meredosta made a visit to the city yesterday.

ADMINISTRATOR'S NOTICE

Estate of Mary D. King Deceased. The undersigned, having been appointed Administrator of the estate of Mary D. King late of the County of Morgan and State of Illinois, hereby gives notice that he will appear before the County Court of Morgan County, at the Court House in Jacksonville, at the June term, on the first Monday in June next, at which time all persons having claims against said estate are notified and requested to attend for the purpose of having the same adjusted. All persons indebted to said estate are requested to make immediate payment to the undersigned. Dated this 27th day of March A. D. 1917. FRANK B. LLOYD, Administrator.

MOTHER! DON'T TAKE CHANCES IF CHILD'S TONGUE IS COATED

If Cross, Feverish, Sick Bilious, Clean Little Liver and Bowels

A laxative today, saves a sick child tomorrow. Children simply will not take the time from play to empty their bowels, which become clogged up with waste, liver gets sluggish, stomach sour.

Look at the tongue, mother. If coated or your child is restless, does not eat heartily, full of cold or has sore throat or any other children's ailment, give a teaspoonful of "California Syrup of Figs," then don't worry, because it is perfectly harmless, and in a few hours all this constipation poison, sour bile and fermenting waste will gently move out of the bowels, and you have a well, playful child again. A thorough "inside cleansing" is oftentimes all that is necessary. It should be the first treatment given in any sickness.

Beware of counterfeit fig syrups. Ask your druggist for a 50-cent bottle of "California Syrup of Figs," which has full directions for babies, children of all ages and for grown-ups plainly printed on the bottle. Look carefully and see that it is made by the "California Fig Syrup Company."—Adv.

MEREDOSIA RESIDENT WILL MOVE TO CHAPIN

Charles Thomason Will Conduct Oil Business at Both Places—Mercedosia Boy in Naval Reserves.

Mercedosia, April 9.—Mr. and Mrs. Charles Thomason, loaded their household goods Monday to be shipped to Chapin where they will live, and where Mr. Thomason will engage in the oil business. He will still continue in the oil business here as heretofore but considered that it would be better to reside in Chapin as he would be more centrally located for his entire territory. Mr. Thomason handles a high grade of oil and his increase in business in that line is the reason of his removal to Chapin. Mr. and Mrs. Thomason have made many friends during their stay in Mercedosia and it is with the regret of the entire community that they are moving from our midst.

Miss Hilda White returned Sunday to her home in Chapin after closing a successful term of school at Indiana.

Mr. and Mrs. Will Schmidt spent Easter with home folks in Mt. Sterling.

Gus Schlieker went to Kalamazoo, Mich., Saturday evening to accompany his wife home who has been under physicians care for the several past months.

Mr. and Mrs. Edgar Beeley and son Hauer were Sunday guests of Mr. and Mrs. W. A. Steplin.

Rex Bolyard and Mollie McLain bought the Buick racer sold by O. M. Steinberg Saturday.

In Naval Reserves

Mr. and Mrs. J. R. Bowling received a message Monday from their son Paul, of Flint, Mich., who had been called to Buffalo, N. Y., for active duty in the Naval service. Paul is a member of the Naval Reserves.

Royal Kratz left Monday for White Hall to enter upon his duties as assistant manager for the La-Crosse Lumber Co. in that city.

The river for the past week has been rising and falling until Monday it was at a stand.

J. L. Peters of Merritt spent Saturday and Sunday in this city.

Mrs. R. B. Fields who has been on the sick list the past week is improving.

Mr. and Mrs. Thomas Beeley have been numbered with the sick the past week.

Mrs. Charles Heavener and children left Saturday for their new home in East St. Louis.

Miss Margaret Cody attended

church in Bluffs Sunday.

Miss Lela Hedrick returned home Monday from a visit with her mother at Barry.

Royal Kratz, Howard Rhodes, Misses Freida Unland and Sue McLain motored to Jacksonville Friday.

Returns from South

Mrs. Alice Merriss has returned home from spending the winter in Arkansas and Texas. Mrs. Merriss expresses herself as being satisfied with Illinois.

John Beauchamp was a business visitor in Jacksonville Saturday.

Miss Bertha Kosmover of Jacksonville spent Sunday with her parents east of here.

Mr. and Mrs. Edward Wackerle and daughter Marjorie of Jacksonville, Miss Neile Ritscher of Springfield, were Sunday guests of Mr. and Mrs. A. E. Ritscher.

James Cody has been confined to his home the past week with illness.

Stanley Post of Jacksonville was the guest Sunday of Mr. and Mrs. Charles Thomason.

Mr. and Mrs. Wm. Wellenkamp and two children visited with Mr. and Mrs. Chester Tankersley at Manchester from Saturday until Monday.

A slight earthquake was felt in this vicinity Monday afternoon.

Don't bother with the hen—buy a Klondike or Banner incubator and you will have plenty of chickens and no trouble — Brady Bros.

Canada Provides Well for Soldiers' Families

Mrs. Joseph Correa Has Word From Mrs. Lambert Taylor, Her Daughter, Telling of Mr. Taylor's Call to Service in Europe

Lambert Taylor, well known to many in this city, has been called from Canada to finish his training in England. Five months ago he signed up with the 1st battery of the Canadian Field artillery in Toronto. A draft of fifty picked men from four different batteries and 2,000 men from other branches of the army, left Toronto March 22 and sailed on the steamer Saxonia March 26, according to word to Mrs. Joseph Correa and Miss Ada Correa of this city. The steamer is conveyed by British war ships, so far not one troop boat leaving Canada has been lost.

Mr. Taylor is a native of England and is the only child of Mrs. William Taylor of Huddersfield, Eng. He made his first visit to the U. S. with his parents when a child of four years. The parents had intended to make their home in this country but the climate did not agree with the mother and they were forced to return. The son always stated that when he was old enough he would return to America and make it his home, and this he did. He is a weaver by occupation and has worked in some of the big mills of the east. Coming to this city about five years ago he was employed at the Capps woolen mills. He is an industrious young man and is well thought of by all who know him.

On January 11, 1917, Mr. Taylor was united in marriage to Miss Rose Correa of this city, the ceremony being performed at Cooke's Presbyterian church by Rev. Wesley McGraw.

Upon reaching England he will be granted permission to visit his mother. Then he will have several months of training before he is in readiness for active service on the front. On returning to Canada each soldier is entitled to 125 acres of western farm land. A Canadian soldier receives \$33 per month. If married he must sign over \$20 to his wife, then the government gives her a separate allowance of \$20, making \$53 in all. Each child receives \$5 per month from the government. Mr. Taylor has often stated that he was going to fight for England but for the U. S. as well. His many friends will wish him good luck and a speedy return.

Line to the Soldiers

The following poem was dedicated by the Toronto World to the soldiers who left Toronto March 22: You are leaving home and loved ones.

A soldier's lot to share, That heaven may bless and keep you Will be our constant prayer.

Go with undaunted courage And heart so brave and true, 'Tis right, not might, you're fighting for And right will see you thru.

Should trials overtake you, And suns lose its ray, Just think of dear old Canada Then the clouds will fade away.

Go then and may God guide you, Thru the vale of war and strife, May you all prove faithful soldiers And help to win the fight.

And if time's hand should stamp thy brow When youth and war are past, Let bugles sound, while heroes sing, Our flag is saved at last.

ADMINISTRATOR'S NOTICE Estate of John T. Neal, Deceased.

The undersigned, having been appointed Administrator of the estate of John T. Neal late of the County of Morgan and State of Illinois, hereby gives notice that he will appear before the County Court of Morgan county, at the Court House in Jacksonville, at the next June term, on the first Monday in June next, at which time all persons having claims against said estate are notified and requested to attend for the purpose of having the same adjusted.

All persons indebted to said estate are requested to make immediate payment to the undersigned.

Dated this ninth day of April, A. D. 1917.

Newton Brown, Administrator, Carl E. Robinson, Attorney.

SAYS CUBANS WOULD WELCOME INTERVENTION

Insurrectos Would Like to See America Take Over Island, According to Dr. Sawyer, Who Has Just Returned

Dr. C. B. Sawyer has just returned from an extended visit to the southland, Miami, Fla., being his principal objective point, where he enjoyed a visit with his sister, Mrs. Frank M. Dean, who is in very good health. Mr. Dean is not enjoying the best of health.

While Dr. Sawyer was absent he visited Palm Beach, Jacksonville and many other places in the south and noted the effect of the frost there, which he says was irregular.

One man near Jacksonville said that the mercury went down to four above zero, which seems well high incredible in that latitude. He said that one proprietor burned many barrels of oil trying to save his fruit but in vain. Avocado pears he said were the worst sufferers, although many acres of citrus fruits were also ruined, while again at other places he saw many orchards laden with the yellow fruit ready to be packed and shipped.

While absent, Dr. Sawyer also traveled across to Havana, Cuba, and visited a small portion of the island which supplies us with so much sugar. He says that while the news of the insurrection is to a large degree suppressed by the authorities, it is still in active condition and the insurrectos are making a great deal of trouble. The military authorities will not permit visitors to the fort of Havana and many other military precautions are taken, although about the capital general quiet prevails.

World Welcome Intervention One American who had a plantation forty miles from Havana suffered the loss of a lot of cattle, but he managed to secure his horses and accoutrements in the brush and so saved that property. The opportunities in Cuba are almost boundless if only quiet and stability could prevail. Dr. Sawyer gained the impression that the insurrectos would be very glad indeed to have the U. S. intervene and take over the island while the government of course has an opposite feeling.

Thruout Florida where he visited he saw great quantities of fertilizer used of necessity, although it is claimed by the people there that the everglades if properly cleared could furnish enough corn for the state for a long time, but the task of clearing and draining is almost prohibitory and only gullible tenderfeet are likely to invest in that direction.

THE EARTHQUAKE OF 1811.

Mention was made in Tuesday's Journal of the earthquake of 1811, New Madrid, Mo., being about its center.

It was one of the wonders of early settlement of this part of the West, and is still such. The earliest settlers of the territory or state had great tales to tell of that fearsome time.

So far as known to the writer, no evidence of the upheaval was left in Illinois, but the quaking runs have been felt, over a large area.

New Madrid is down in that tongue of land where Missouri extends along the Mississippi furthest south, and thereby is nearly contiguous to the states of Kentucky and Tennessee, and does touch Arkansas, on the south border of Missouri.

The old "American Encyclopedia" had this to say regarding that great seismic event, it being remembered that no earthquake in the United States, unless that at Charleston, S. C., a few years ago, has ever approached the power and danger of the New Madrid happening.

The earthquake of New Madrid, below St. Louis, on the Mississippi, in 1811, is the most important that has occurred in this country of which we have any record.

Humboldt remarks that it presents one of the few examples of the incessant quaking of the ground for several successive months, far from any volcano.

Over an extent of country 300 miles in length, from the mouth of the Ohio to the St. Francis, the ground rose and sank in great undulations, and lakes were formed and were again drained. The surface burst open in fissures, from which mud and water were thrown as high as the tops of the trees. The direction of these fissures were generally from the N. E. toward the S. W., and the inhabitants, in 1811, this told the tallest trees at right angles to this line, and stationing themselves upon them, thus escaped being engulfed.

Flint, the geographer, observed hundreds of these chasms 7 years after this catastrophe, and Lyell, who visited the same region in 1846, noticed many, which then appeared like artificial trenches, which might be traced for more than half a mile.

The country is still called the "sunk country" and the extent along the White Water and its tributaries, is 70 to 80 miles North and South, and 30 miles East and West.

During the continuation of these convulsions the inhabitants distinguished two classes of earthquakes, those in which the movement was vertical, and those in which it was horizontal; the latter were regarded as far more desolating than the former. They continued until the destruction of the city of Caracas, which took place March 26, 1812. One evening, about this time, is described by the inhabitants of New Madrid as brilliant and cloudless, during which the western sky was a continued glare, of vivid flashes of lightning, and peals of thunder were incessantly heard, proceeding

apparently, as did the flashes, from below the horizon. In the destruction of Caracas, the whole city, with its splendid churches, was in an instant a heap of ruins, under which about 12,000 of its inhabitants were buried.

It will be remembered that, in 1811, all the Mississippi was very sparsely settled, so fewer lives were lost than probably would be today.

At the time of the earthquake, some of the people were travelling on the rivers in flat boats, the usual craft of that time, and they had an exceedingly interesting time, to say the least.

It is said that the course of the "Father of Waters" was somewhat changed.

Anyone looking at the map of the New Madrid region now, may see lakes, a thing not usual to most of Missouri.

—Easley Moore.

Don't bother with the hen—buy a Klondike or Banner incubator and you will have plenty of chickens and no trouble — Brady Bros.
